2 Children Struck in Separate Accidents

Seven Persons Hurt in 16 Quad-City Traffic Crashes

A girl, 13, and a boy, 7, struck by autos in separate accidents today and yesterday, were among seven persons injured in 16 traffic mishaps occurring in the Quad-City area since Monday.

Linda Nixon, 13, of 204 Edgewoodville road, suffered a head injury about 8:15 a.m. today when she was struck by an auto at Alton and McNair streets in Madison, police reported.

Officers said the girl was struck by a car driven by Lavena Christain, 1908 Seebach street, who told them she was rushing to work. The girl was taken to St. Elizabeth's hospital for treatment. Police said the driver told them she stopped her car at almost the same instant the girl was knocked down.

A young Madison boy, being chased by another child across Sixth street, near Cambridge avenue, at 3:15 p.m. yesterday, narrowly escaped serious injury when he ran into the side of a slow-moving auto, operated by a Granite City woman who was turning the corner.

John Noud, seven, son of Mr. and Mrs. Noud, 1908 Seebach street, Madison, was taken to St. Elizabeth's hospital by the motorist, Mrs. Kathleen Ann Ritz, 2532 East 26th street, the boy's mother said. He was treated for abrasions to the right forearm, pain in the ribs and right shoulder and related.

The boy, a second grade pupil at Harris school, was enroute home from school when the accident occurred.

Two Passengers Injured
Two passengers were injured when auto driven by Edwin Patterson, 3268 Franklin avenue, and Ann R. Langley, 3002 Village lane, collided at 5:30 p.m. Wednesday at 23rd street and Grand avenue. Patterson was issued a stop sign violation ticket.

Taken to St. Elizabeth's hospital were Miss Kathleen Patterson, 19, of the Franklin avenue address, and Miss Karen Langley, 19, of the Village lane address. Miss Patterson suffered lacerations to the right foot and

..BIRTHS..
Birth recorded at St. Elizabeth's Hospital:

GIRLS
Mr. and Mrs. George Crews, 2444 Edison avenue, Feb. 2, Amber Jean, five pounds, eight ounces.

Mr. and Mrs. Jerry Weeks, 5120 Old Alton road, Feb. 2, Tamara Lee, six pounds, eight ounces.

Mr. and Mrs. Frederick Clow, Edwardsville, Feb. 3, Julia Ann, eight pounds, four ounces.

Mr. and Mrs. Billy McAnish, 3220 Colgate place, Feb. 3, Melissa Ann, nine pounds, four ounces.

Mr. and Mrs. Marvin Boyer, Vandalia, Ill., Feb. 3, Michelle Marie, eight pounds, four ounces.

Mr. and Mrs. Larry Richards, 2712 Idaho street, Feb. 4, Kimberly Anne, eight pounds, six ounces.

Mr. and Mrs. Chris Leonard, 2608 Angela drive, Feb. 4, Angel Dawn.

BOYS
Mr. and Mrs. Lovell Pearson Jr., 2449 Woodlawn avenue, Feb. 2, Darryl Allen, eight pounds, 12 ounces.

Mr. and Mrs. Donald Kelley, 125 Trocadero lane, Feb. 2, Donald Lee Jr., eight pounds, two ounces.

Mr. and Mrs. Lionel Wiley, 103 Carver street, Madison, Feb. 3, Lionel Jr., seven pounds, six ounces.

Mr. and Mrs. Ronald Legate, Route One, Feb. 3, Javon Wade, seven pounds, one ounce.

Mr. and Mrs. John Edwin, 1801 Collinsville avenue, Madison, Feb. 3, John William Jr., nine pounds.

Mr. and Mrs. Cloud Ward, 2073 Missouri avenue, Feb. 4, eight pounds, two ounces.

FIREMEN BATTLE the blazing remains of the home of Mr. and Mrs. Earl Lewis, Highway 162, Tuesday afternoon. The fire started from exploding oil furnace. Fire fighting was made hazardous by exploding gunpowder and 9000 rounds of ammunition stored in house. Long Lake firemen had to haul water from a hydrant nearly a mile away. (Another picture on page 22.)

Two Homes in GC Hit by Burglars; Other Area Thefts
Two Granite City homes were hit this week by burglars who took a variety of loot, including appliances.

Mary Kay Hahne, 1714 Grand avenue, reported at 8:40 p.m. Wednesday that a portable television set valued at \$100, an electric fan valued at \$10, and an amplifier valued at \$30 were stolen from her home during the day. She said she had left the door open as she had lost her key.

Mrs. Helen Ford Westbrook reported at 10:40 a.m. Tuesday that her residence at 2206 11th avenue was burglarized since Saturday after she married and moved to her husband's home on Adams street.

Taken were a 21-inch television set valued at \$300, a record player valued at \$130, an electric sewing machine valued at \$100, a hair dryer valued at \$25 and seven books valued at \$35. The rooms were ransacked. There was no sign of forced entry.

Newsboy Robbed
Richard Kaiser, 2032 Wayne avenue, reported at 7:50 p.m. Monday that while he was making collections on his paper route in the 3400 block of Lydia lane, a man held him up. "They gave me that bank bag," he said.

The boy said the man grabbed the bag and ran toward the ditch. It contained an undershirt and a pair of pants. He said the man was of medium build.

(Continued on page 8, col. 2)

Mayor's Veto of 'Borrowing' Ordinance Overridden by GC Council
Council members voted 12-0-3 Monday night to override Mayor Patten's veto of an ordinance approved last week to authorize issuance of tax anticipation warrants and borrow money for general operating expenses.

No tax warrant has been issued as yet, as the Finance committee headed by Alderman Moehlen has stated the city has sufficient funds to cover the payroll and other expenses this month, "possibly for March and maybe even for April," the last month of the current fiscal year.

In his veto message, which was vigorously debated following its presentation, the mayor stated the borrowing of funds at 5% interest was a wasteful use of public funds.

He added, "I have made it clear that I am not in favor of borrowing money and using the taxpayer's money to pay interest charges. This can and should have been prevented."

Alderman took turns to question the mayor's arguments against the ordinance. He stated that the ordinance was necessary to reconstitute the tax anticipation warrant ordinance and then overriding the veto.

The mayor's statement followed: "I find it necessary to use the veto of the mayor's office to veto the ordinance authorizing tax anticipation warrants, due to the fact this method of operation is not to the best interest of the taxpayer."

"Anticipation warrants are

2 Pontoon Stores Set March Openings

Tom-Boy Supermarket, P. N. Hirsch Co. First In Gaslight Plaza

Opening of two new stores — a Foodway Tom-Boy Supermarket and a P. N. Hirsch & Co. department store — is planned in early March at Gaslight Plaza, new shopping center near Pontoon road near the Gaslight Walk apartment complex. It was announced yesterday.

The supermarket will occupy 15,000 square feet at No. 1 Gaslight Plaza, the largest of the store spaces contained in the new block and brick structure. The Hirsch store will occupy store space of 10,000 square feet.

Negotiations also are nearly complete for occupancy of another of the stores by a Rexall drug firm and another by a restaurant, according to a spokesman for the Jones Green Construction Co., developer of the Gaslight Walk and Gaslight Plaza area. Operators of these firms will be announced as soon as lease agreements are signed, the spokesman said.

March 1-15 Openings
The store operators are working toward an opening date between March 1 and 15, but occupancy of the stores will depend to some extent upon the weather permitting completion of remaining work at the plaza.

The Foodway Tom-Boy market will be owned and operated by Richard Johnson, 2250 East St. Louis, the new supermarket features the latest styling, decor and equipment. An in-store bakery will handle oven-fresh breads, pastries, doughnuts and a complete line of bakery goods. Special sales will be planned as well as a definite date can be set, the construction firm spokesman said.

25th Hirsch Store
P. N. Hirsch & Co. announced plans to feature its customary complete line of serving apparel and shoes for the entire family. The Gaslight Plaza store will be the firm's 25th store in the area.

It will be managed by William Davis, now manager of the downtown Madison store, the store which will continue in operation, according to the announcement.

New Assessor-Tax Office Opens for Venice Township

John Bridick and Town Tax Collector Frank Reidelberger announced yesterday the opening of a joint township office to serve the area's taxpayers on a full-time basis because of an increasing volume of assessing and taxing matters.

The office was opened yesterday on the main floor of the old First National Bank building at Fourth street and Madison avenue in Madison. Hours will be from 8:30 a.m. to 4:30 a.m. daily, Monday through Friday. The office will not be open on Saturdays.

Opening of the office followed completion of extensive remodeling work which included paneling of the walls in the office area, installation of a lowered acoustical ceiling with new overhead lighting and removal of a number of the old bank office windows to provide counter space for the assessor's office. One section of the old teller windows remains for tax collection purposes.

Assessing Work Increased
Establishment of a full-time office was prompted by an increased amount of work by the assessor's office growing out of

(Continued on page 4, col. 8)

Police to Crack Down on Street Littering
Granite City police will crack down on violators of the city's anti-littering ordinance. It was announced today by Police Chief Ronald Veizer.

Persons will be arrested when seen throwing beer cans and bottles and other objects from autos onto the streets and those responsible for similar acts will be fined.

He said numerous complaints have been received from residents concerning the litter. Fines for violations range from \$1 to \$100, he noted.

21 Undergo Surgery At Local Hospital
The following are recovering from surgery which they underwent at St. Elizabeth's Hospital:

Maxine Shockley, 1908 Spruce street; Mrs. DeArle Sma r t, 3217 Rodger avenue; Jimmy Harthorn, 2804 Edwards street; Mrs. Edward 2228 Benton street; Rosa E. Beasley, 2300 Elm avenue; Hazel Martin, Route One; Curtis Brown, 448 W. 11th.

Anna M. Cotton, 3111 Yale drive; Janice M. Meyer, 3111 Yale drive; Mrs. L. Sanford, Brooklyn, Ill.; Freda O'Guinn, 2609 Grand avenue; Sandra L. Clayway, East St. Louis; Marilyn L. Garin, Route Two; Claude H. Hilmann, 2125 Nevada avenue.

Strickland's, 2715 10th street; Elizabeth Harris, 211 Harrison street, Madison; Thomas A. Harris, 400 Breckinridge lane; Ada E. Fenon, Route 7, Edwardsville; Audrey Owens, 1914 Grand avenue; Thur G. Davis, Wood River; Fred Bauer, Route One.

\$75 Furnace Damage
A short circuit in the furnace blower caused \$75 damage at the home of Gary Glick, 27th street, at 9:25 p.m. Wednesday, the fire department reported.

19 WITHOUT A QUAD-CITY TRAFFIC FATALITY

It was reported that Mayor Maerz is recuperating at home from an illness.

In other action, the council approved minutes and bills.

To \$3,745,143, was passed in July 1969, an increase of \$767,335. Gentlemen, it is impossible to operate on a budget such as this when cash available from all sources for the fiscal year is \$2,850,635.

I have attempted to familiarize the board of aldermen of our financial condition to no avail. With full knowledge of our financial position, in July 1969 after I had negotiated with the city hall employees and police department and they had agreed to a \$30 and \$35 per month salary increase, the majority of this council, in one meeting, voted a 5% per month increase for all city employees at an increase of \$64,647, plus a \$50 per month increase starting in July 1970.

"Some of our financially minded aldermen knew that with the increased budget, the increases in salaries, plus the sewer breaks that we could not operate without an increase in income.

Added Taxes Voted Down
"So, there was placed before this council a 5% increase to the city hall employees, a 5% increase to the police, a 5% increase for maintenance of sewers, and 5% increase for fire protection, and they would have been an increase of \$242,151 for providing these services. But they voted down by the majority of the aldermen."

"I have requested meetings

Reilly Tar Corp. Product Approved

Air Force Tests, Ok's Apron Surface; Firm Wins Other Contract

Development of a new tar-concrete surface, plus a large contract with a new aluminum plant, were announced Wednesday at the Reilly Tar & Chemical Corp. plant here in what is viewed as a large boost to the local economy.

Approval by the Air Force of the new tar strip was found to be satisfactory at Forbes Air Force Base at Topeka, Kans.

Evans said the company started working last June with the Hankamer Asphalt Co. of Topeka, Kans., in developing the overlay.

Applied to Aprons
The overlay was applied to deteriorated concrete on refueling and parking aprons at the air base. It eliminated cracks and will not be affected by spillage of jet fuels, gasoline and oil from aircraft.

Such spillage would deteriorate asphalt but not the tar-concrete mix, Evans said.

The overlay consists of a two-inch lift of Reilly's road tar No. 12, topped with a one-inch lift of rubberized tar concrete to give it resiliency.

Evans said the biggest item in the tar rubber mix is it is not susceptible to damage from spillage.

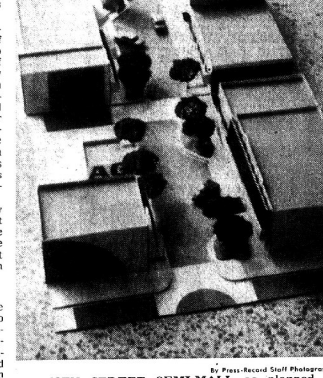

The Reilly firm currently is awaiting orders for a three-year project for Forbes AFB, and use of the material at six other Air Force bases is under consideration.

The particular tar product, new to the local plant, will not immediately increase employment or expansion, but it broadens the company's engineering services for motor fuel tax projects with the firm of Sheppard, Morgan and Schwab was retained.

Expansion Seen
Acceptance of the product by other bases and airports could result in large expansion of the firm, the only one in the Reilly system capable of production, he added.

Forbes has 85,000 gallons of road tar concrete base No. 5, a primer, on the concrete, 135,000 gallons for the first

GCHS January 1960 Class Plans Reunion

Theft from Auto
Nora Madlinger, 2703 Center street, reported Monday that someone entered her 1961 auto parked at her home and took a small coin purse containing about \$2, a dollar bill, a box of tissue and a flashlight. There was no forced entry.

DELICIOUS BEEF TACOS
BERT'S CHUCK WAGON
876-2576

A reunion of the January 1960 class of the Granite City high school is being planned for June 20 at Fischer's restaurant in Belleville. All class members have been contacted except the following: Dorothy Chance, Mary Alice Darnell, Margaret Jo Short and Robert Strong.

Three-Auto Accident

An auto driven by Robert Mosby, St. Charles, Mo., unable to stop on ice, struck the rear of a car driven by Ronald J. Avenue, St. Louis, shoving it into the rear of another driven by Virgie E. Grugget, Rural Route One, as the two front cars were stopped at a traffic signal to make a right turn Monday at East 20th street and Edwardsville road.

Naomi Nickel Barker at 931-5498. Classmates who did not graduate are welcome.

Levee District Cited by State for Open Burning

The Illinois Public Health Department has recommended to Attorney General William J. Scott that injunction proceedings be instituted against the East Side Levee and Sanitary district to halt open burning in a dumping grounds at "Four Corners," an area near Route 13 in Centerville township south of East St. Louis, the levee district board was informed in its regular meeting yesterday.

In a letter to board trustees the Illinois health department said inspections of the area had been made and that colored photographs of conditions have been obtained. The letter described burning operations as a health hazard and said the attorney general had been urged to enjoin the district from permitting burning at the dumping area.

Levee district officials pointed out, however, that the area had been closed as a dumping ground for several years but that the public continued to violate no-repassing notices by dumping on the ground which is owned by the levee district but which never actually has been operated as a public dumping area.

Will Fence Area

As a result, trustees authorized the engineering and maintenance departments to use bulldozers to fill the area, impact rubbish now covering the area, to fence in the entrances and close off all access to the grounds.

The board yesterday also approved a request by the Illinois

Power Co. for an easement to install a six-inch gas main along the Cahokia diversion canal to reach the new Chemico Metals Corp. plant now being built on Route 3 south of the Hartford canal. The plant will produce about 30,000 tons of refined copper per year.

Levee District Treasurer Thomas Stalcoff reported the district ended the month of January with a balance of only \$226 in the treasury. Stalcoff's report showed the district balance at \$226 as of Jan. 3 and the only receipts during the month was borrowed money in the form of a \$20,000 transfer from the Municipal retirement fund, providing total available funds of only \$20,226.

During yesterday's meeting the levee board approved January payroll vouchers totaling \$14,500 for the Jan. 1 to 15 period and vouchers of \$22,500 for the Jan. 16 to 31 period, plus January claims totaling \$24,173.

Payroll, Claims Unpaid
Stalcoff's report, however, showed payment in January only of the Jan. 1 to 15 payroll vouchers of \$24,500, leaving unpaid the remaining \$22,500 in payroll funds and \$24,173 in claims against the \$226 Feb. 1 balance.

Trustee William "Mike" Ebersold of Venice, Madison county member of the board, referred to the board for further study an Illinois statute that he said will permit the levee district to set up an additional tax levy (fund known as a public benefit fund which would provide additional tax monies necessary to maintain projects turned over to the district by the U. S. Army Corps of Engineers and other agencies).

The statute, which is a provision of the General Revenue Law, permits an additional tax levy up to five cents per \$100 assessed valuation. Ebersold explained that in the past the Corps of Engineers has required the levee district to assume responsibility for pumping stations and certain levee requirements for which the district has no available funds under its regular tax levy, limited at 20 cents per \$100 assessed valuation in the general fund. He said he believes the law would provide the district with the needed funds.

Nomeki Plans Special Budget Meet Saturday

A special meeting of the Nomeki town board in which the public has been invited to take part in drafting the township's 1970-71 town budget is scheduled at 2 p.m. Saturday in the town hall at 4250 Highway 162.

The meeting was arranged by the town board in its Jan. 26 meeting. The budget must be prepared for public posting by the latter part of this month and will remain on file for 30 days. The budget then will be approved in a public hearing late in March and submitted to the annual town meeting for final approval in April.

While the budget is subject to change in the public hearing, it also may be changed by a vote of the electors in the annual town meeting.

Louis Whitsell, town clerk, said a citizen committee will be selected in Saturday's session to meet further with the town board in completing the budget draft. The town board will welcome suggestions of the public at Saturday's meeting, Whitsell said.

The regular meeting of the Nomeki town board will be held Monday at 7 p.m. in the town hall.

Geo. Wallen, 49, Dies; Formerly of Venice

George Wallen, 49, of Hollywood, Fla., a former resident of Venice and owner of a drug store there until 10 years ago when he moved to Florida, died about 9 a.m. Sunday at his home of an apparent heart attack. He had suffered a first attack a year ago and was under the care of a physician.

A Quad-Cityan for 15 years he was a member of Masonic Lodge 877 A.F. & A.M. Survivors include his wife, Geraldine; one daughter, Mrs. Nana Stricklin, both of Hollywood, Fla.; his father, Marshall Wallen of Madison; three sisters, Mrs. Bernice Robertson of Granite City, Mrs. Louise Cook of Madison and Mrs. Meri Schmidt of Fort Lauderdale, Fla.; two brothers, Glen Wallen of McDonough, Ill., and Harry Wallen of Venice; and one grandchild.

Funeral services were conducted Wednesday morning in Florida.

MORE ABOUT

Mayor's Veto

a number of times with the chairman of the Finance Committee and he informed me that he could not get his committee together. Unless there is a preventive measure taken on the Nameoki sewer system, the city will never recuperate from our financial crisis.

"I have made it clear that I am not in favor of borrowing money and using the taxpayers' money to pay interest charges. This can and should have been prevented."

Alderman Robertson was first to speak out after the mayor finished his remarks from a prepared text.

Maintained Service

"I don't know how we could be expected to know the cost of the sewer repairs. I don't think the council should be condemned for its efforts to keep the vital services of such workers, in operation," Robertson stated.

Alderman Schuler pointed out that after the council had voted for the \$75 monthly increase for employees and then the mayor called for larger increases for the police and fire chiefs and for the larger increases for other city workers.

Nonn entered the discussion to tell the mayor, "You had provisions in your budget for more policemen and more firemen. That would have offset the larger increases."

"The only way we'll keep this city sound will be to forget the purchase of new equipment and other items for the next six months. I don't apologize for the \$75 monthly pay boosts. If we pay a living salary, then city employees should have one job, and you, mayor, cast the vote that killed the ordinance for that," Nonn stated.

He then asked that industrial engineers from local industries be called upon to aid the city in working on next year's budget with the hope of cutting corners to save funds.

Moerlen commented that he could not understand the lack of mutual cooperation between the administrative and legislative branches of the city.

He added that the city officers have cooperated in improving the city's operating costs, and he doubted the mayor's statement that banks would loan money to municipalities at no interest cost, "unless the cities are depositing all their funds in a particular bank and not getting any interest on it. We're getting interest on the money we have in the bank."

Nonn placed the entire blame for the city's financial plight on the annexation of the Nameoki area in the late 1940s. "Nameoki is the biggest foul ball that ever happened to Granite City and if it wasn't for that area, we could have paved the streets of Granite City with gold."

Baker Answers Nonn. He was answered by Alderman Baker, who remarked, "I've been listening for months to this alderman's bad mouthing the Nameoki area. He voted for the pay increases and then voted against the budget and the tax rate increases."

Dallas remarked, "The sewers weren't put in right. We're paying for someone else's mistakes. We can blame the engineer and contractor. I can use this veto. The mayor should shoulder the responsibilities."

Alderman Whitmer stated he would vote to override the veto but that he was one who took to heart the appeal to economy. "In my opinion, wages went too high too fast. I'm hopeful we get the \$700,000 from the federal government. We can't cut back the work force for the police and fire departments."

"Give-Away Campaign"

Rutledge reminded the aldermen that he had appealed for economy measures for the past five years. "Nobody listened, and just last September we spent \$60,000 for special improvements. Since 1965, the city spent \$300,000 in the give-away program. You're trying to outdo the federal government and spending money for campaign purposes."

He added that the "give-away" program was not illegal but was "irresponsible."

Poulos jumped up and told Rutledge, "You got the street in front of your house resurfaced. The whole city could decay while you're sitting here."

Mayor Parton rapped for order, but Poulos continued to remind Rutledge of the resurfaced street. Rutledge said he had always favored preservation of paved streets.

Alderman Green said, "There's no doubt politics is played with special improvement projects. But there's politics on the other end, too." He recalled the resurfacing project for Missouri avenue was vetoed and the veto overridden. "This saved the city about \$200,000. If the concrete street would have had to have been replaced."

"Voting to override the veto were Aldermen Nonn, Whitmer, Basarich, Dallas, Moerlen, Parnley, Robertson, Poulos, Green, Dawes, Morlen and Schuler. Voting "no" were Rutledge, Jarrett and Baker.

At the close of Monday night's

Hollywood-Andrews Photo
MICHAEL A. JONES

Michael Jones

Nominated for

Naval Academy

Michael Alvin Jones, 17, son of Mr. and Mrs. Thurl C. Jones, 1600 Garfield avenue, has been nominated by Congress man Melvin Price as a principal candidate for appointment to the U. S. Naval Academy, Annapolis, Md.

The Granite City high school senior passed competitive examinations conducted last July in Alton.

If he passes the final physical examination, he will be enrolled in the next Annapolis class this fall, following preparatory instruction this summer at the Great Lakes, Ill., Naval Base. Born in Granite City, Jones is a lifelong local resident. Jones has been active in the Boy Scout and Delmarian organizations. In past years, he played in the Nameoki Little League baseball program.

At GCHS, where he has taken pre-college courses, the prospective midshipman is a member of the Letterman club, having earned varsity football letters for the past two years. He was a halfback as a junior and played right guard on the starting offensive unit as a senior.

Graduates of Annapolis are commissioned as Navy officers and receive first consideration for promotion to higher ranks.

Morris Campbell

To be Arraigned

In Petition Case

Morris Campbell, East St. Louis, president of the East Side Labor and Sanitary district, is scheduled to be arraigned in St. Clair County circuit court at Belleville tomorrow on a perjury charge contained in an indictment resulting from an investigation into the circulation of petitions for a candidate in the Democratic U.S. Senator race.

A grand jury returned the indictment last week after several witnesses were reported to have testified in connection with alleged irregularities in circulation of the petitions for which Campbell is said to have been paid \$1010 by Dakin Williams, Collinsville attorney.

Williams said he hired Campbell to obtain signatures on the petitions in St. Clair County in behalf of Williams' candidacy for the Democratic senator post. Terry Francis, Granite City attorney, filed objections to the petitions with the Illinois Electoral Board, charging 24 signatures on the petitions were duplications and that about 600 signatures were made by 16 persons.

The board threw out Williams' petitions, leaving State Treasurer Adlai E. Stevenson III opposed in the senator's primary race next March 17. The jury indictment charged Campbell falsely stated under oath to a notary public that signatures on the petitions for Williams were genuine and were signed in his presence. Campbell surrendered at the courthouse in Belleville Monday when he learned of the indictment and posted bond pending the arraignment.

Hit-and-Run Accident

An auto driven by Margaret Salazar, 3231 Maryville road, was struck from behind by a hit-and-run driver at 1:20 p.m. Tuesday at Delmar and Niederrhein avenues.

meeting, Jarrett announced his resignation, effective May 1, from the council's Human Relations and Printing committees. He added that he would not serve on any of the minor committees on which he already has served, adding that he wanted to be named to active committees to gain knowledge of city operations. He added that he was not consulted when the council named committee members at the start of the fiscal year.

Kiwanis Club Hears Expert on Narcotics

Dr. William M. Harvey, director of Research and Psychological Services of the Narcotics Service Council of St. Louis, was the speaker Monday at the Kiwanis Club dinner meeting at the Rose Bowl.

He said the group is a rehabilitation organization for addicts and drug abusers.

Dr. Harvey explained there are three different types of persons dependent on drugs, the physiologically dependent; the psychologically dependent and the occasional drug abuser.

The doctor said studies made in St. Louis county indicate that 25 to 30% of children in public schools have experimented with drugs and more than 10% have become seriously involved with drugs.

His advice to parents is to be able to communicate with their children, and to be aware and concerned with their problems.

In his closing remarks, Dr. Harvey, announced an educational program will be given in April at the Kiel auditorium and is to be telecast by Channel 2. In addition to featured speakers, there will be printed materials. A number of prominent athletes will attend as

Legion Auxiliary Urges Flag Flying in February

February is known as "American Month," and Mrs. Mary T. Hiley, Americanism chairman of the Tri-City Unit 113, American Legion Auxiliary, is urging all citizens to display their flags on patriotic holidays, and wear a flag pin or flag lapel button.

"The birthdays of Lincoln and Washington are celebrated by all school children, as well as local, state and federal government agencies, and many business organizations recognize these dates as legal holidays," she stated.

"The American Legion and its Auxiliary stress the importance of perpetuating the American ideals and upholding the principles of American democracy. The basic principle of Americanism are freedom

of speech, freedom of assembly and press, freedom of religion, and the right to life, liberty and the pursuit of happiness."

"It is upon these basic principles that our form of government was established. These principles are always in the forefront of the American Legion and the Legion Auxiliary. Be proud of America and show it," Mrs. Hiley added.

Natural Cause Verdict Ruled at Inquest

A verdict of natural causes was returned at an inquest conducted by Robert Thomas, Madison county coroner, on Wednesday in the death of Harold Otis Noe, 48, of 2201 Iowa street, who was found dead by his wife, Dolores, in their home at 9:45 a.m. Jan. 1. He died from acute thrombosis of the left posterior coronary artery.

Noe was employed by Norfolk & Western Railroad as an inspector of piggy-back shipments and was proprietor of the Delmar Shoppe, a confectionery and gift store at 2285 Delmar avenue.

MORE ABOUT Council Defies

come in and how our cash position varies.

"We should be interested in these things on a fund basis, at least with respect to our operating funds, if we are going to run a business-like operation."

"I have, as mayor, offered a number of economy moves that should be taken by the board of aldermen, without response, that would be a saving to our Granite City taxpayer."

"Therefore, due to the financial crisis of our city, I will institute the following as of Feb. 2."

"Direct the comptroller to bill the county for all meals furnished to county and state prisoners in the city jail." The mayor estimated \$100 a month is spent on estimated 90% of the food bill is for county and state prisoners.

"Remove the switchboard and transfer the operator to desk clerk in the police department."

"Transfer the secretary from the detective division to desk clerk."

"Relieve two policemen as desk clerks and place them in regular police work."

"Place two station wagons, used by the canine handlers, into regular police patrol." The mayor estimated this would save \$8400 toward the purchase of new patrol cars.

"Back charge all utilities for work performed by city employees or city contractors on work that should be performed by said utilities." The mayor explained the street department has cost records on repairs to street excavations by utilities and he estimates the current amount at \$700.

"Overstepping Authority" Moerlen remarked the mayor was overstepping his bound and infringing on legislative duties in making the transfers of secretaries to the police

desk. He added that the Finance committee feels the city has sufficient funds to meet this month's payroll, possibly the March payroll and maybe April.

The mayor was asked why he did not include elimination of the post of assistant city attorney, now held by Harry Hartman at a salary of \$800 a month.

Schuler commented he believed the mayor's program would be beneficial and called to the vote to be placed on file.

Letting for it were Rutledge, Whitmer, Dawes, Jarrett, Schuler and Baker. Opposed were Nonn, Basarich, Dallas, Moerlen, Parnley, Robertson, Poulos, Green and Morlen.

In other action, council members felt an interpretation of state laws designating city officers that can be removed by the mayor was inconclusive.

He asked for an opinion from the Illinois Municipal League legal staff or the attorney general, City Atty. Scroggins said he had researched the matter and that an old court decision had designated policemen to be city officers. "The law says anyone who takes an oath of office is an officer," he added.

Fire Destroys Car

A 1962 model auto which caught fire from a carburetor backfire on McKinley bridge about 4:30 p.m. Tuesday was totally destroyed, Venice firemen reported. Firemen listed value of the car, which was owned by James Baduano, at \$500. Firemen said the backfire set all the wiring in the car ablaze. Firemen were at the scene half an hour. Venice firemen also were called at 2:40 p.m. yesterday to the home of Cicero Isaac, 615 Salveur street, where a blower motor burned out. Damage was confined to the wiring in the motor.

Four Hubcaps Stolen

Ruth M. Rutter, 40, Winchester drive, reported at 3:40 p.m. Tuesday that four wire-type hubcaps were stolen from her 1963 auto.

James H. Smart, 58, Dies of Heart Ailment

James Hugh Smart, 58, of 3217 Rodger avenue, died about 11:45 p.m. Wednesday at Missouri-Pacific Hospital, St. Louis, where he was taken by ambulance yesterday after suffering a heart attack at home.

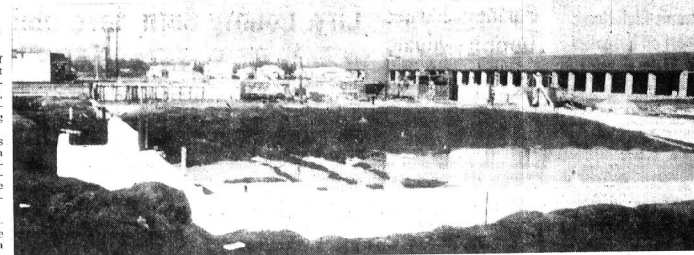

He was home alone, as his wife, Mrs. DeArle Smart, is a patient at St. Elizabeth Hospital, where she underwent surgery on Monday. He was able to summon an ambulance himself.

Mr. Smart, a native of Harveysville, Okla., who lived here 44 years, had been ill with a heart ailment for a year. He retired a year ago from the G.M.O. Railroad.

He was an Army veteran of world war II and was a member of St. Peter United Church of Christ, Venice-Madison American Legion Post 307, Moose Lodge and Brotherhood of Railway Carmen.

Survivors include his wife, Mrs. DeArle Smart; a daughter, Mrs. Norman (Gloria) Knobloch of Granite City; a son, Robert Albee of Miami, Fla.; three sisters, Mrs. William (Irene) Cole of Decatur, Ill., Mrs. Wavland (Elizabeth) Cohen of Volusia and Mrs. John (Bernice) Erickson of Granite City; a brother, Edgar Beach of Granite City, and three grandchildren, Linda, Michael and Sherri Knobloch.

Funeral arrangements are given in today's obituary column.

NEW GASLIGHT PLAZA shopping center that is scheduled to open next month with a Tom Boy Supermarket and a P. N. Hirsch Co. store at Pontoon Beach is shown in the background here. In the foreground is the foundation for a new Cinema Theatre under construction.

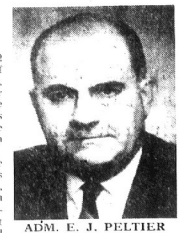

Mrs. Clara Noe, 69, Dies; Ill 3 Months

Mrs. Clara Noe, 69, of 2122 Grand avenue, the mother of five Granite City residents, died about 2:30 p.m. Wednesday at St. Elizabeth Hospital, where she had been admitted 24 hours earlier. She had been ill three months and was hospitalized on several previous occasions.

Mrs. Noe had resided here the past three years. She was born in Anthon, Mo., and had lived her entire life in that vicinity. She was a member of the Bourbon, Mo., Baptist Church. Her husband, Fred Noe, died in August 1966.

Surviving are two sons, Kenneth Noe of Granite City and Linn Noe, a member of the U. S. Navy, stationed in San Francisco, Calif.; four daughters, Mrs. Ruth Albee, Mrs. Dolores Carson, Bernice Mathenia and Miss Sandra Noe, all of Granite City; two brothers, Richard and John Harper, both of Granite City; three sisters, Mrs. Army Turnbull and Mrs. Eula Pentecost, both of Granite City, and Mrs. Marie Emma of Pennsylvania; 14 grandchildren and 13 great-grandchildren.

Funeral arrangements are given in today's obituary column.

ADM. E. J. PELTIER

Adm. Eugene Peltier Joins GC Steel Board

Rear Admiral Eugene J. Peltier, U. S. Navy (Ret.), position of Sverdrup & Parcel and Associates, Inc., has been elected to the board of directors of Granite City Steel Co. It was announced today by Nicholas P. Sverdrup, chairman and chief executive officer of Granite City Steel.

Adm. Peltier was commissioned a lieutenant, junior grade, in the U. S. Naval Reserve in 1936, and was in active duty from 1940 to 1962, advancing through grades to the rank of rear admiral.

From 1957 to 1962, he served as chief of the Bureau of Yards and Docks and chief of Civil Engineers. He joined Sverdrup & Parcel in 1962 as a vice president and became president in 1967.

A native of Concordia, Kan., Adm. Peltier was graduated from Kansas State College in 1933 with a bachelor of science degree in civil engineering.

He is president of the Engineering Division, American Society of Civil Engineers, American Concrete Institute, Phi Kappa Phi and Sigma Tau. He lives at 8 Ladiet Forest, St. Louis.

L. J. Sverdrup, chairman and chief executive officer of Sverdrup & Parcel, who has been a member of the Granite City Steel board of directors since 1955, has retired from the board. However, he will serve as an advisor director.

Rail Orders to Spur Build-up in GSI Production

Recently confirmed orders from three major railroads will spearhead a rapid build-up in freight car and underframe production by the Granite City Castings Division plant of General Steel Industries, Inc., during the second quarter of this year, Richard L. Lich, division president, reported today.

Lich said that while there has been some reduction in the labor force at the Granite City plant in recent months, the outlook for the 1970 year is highly improved.

The plant's work force during the latter part of 1969 was reduced by about 400 hourly employees along with some salaried employees, a plant spokesman said. The Granite City plant payroll now approximates 1500 employees, compared to a normal average work force of about 2000 and a peak work force of between 2200 and 2500, the spokesman said.

Lich said the plant now has a steady load of turbine, nuclear pressure vessel castings and other industrial work, but in the railroad products line there will be a first quarter of minor activity, followed by a rapid build-up of railroad production in the second quarter which should hold steady for the remainder of the year.

At Laclede Steel Co. in Madison, reported layoffs there have been limited to about 100 employees, according to Arthur Becker, plant manager. He said the work force reduction is seasonal for this time of year. The plant normally employs a work force of about 750 persons, he said.

Pontoon Stores

Announcement. A successor to Davis at the Granite City store has not yet been announced. The company has general offices and two warehouses in St. Louis.

The new Gaslight Plaza shopping center area will be entered off Pontoon road. It is located near the new Cinema Theatre which is now under construction in the area. Large parking areas have been provided for all of the facilities.

GC Air Board Sets Meeting

A regular meeting of the Granite City Air Pollution Control board will be held at 7:30 p.m. next Wednesday in the city hall with C. Dana Eastman, assistant attorney general for air pollution matters in Madison County, to discuss policies of the attorney general's office.

Henry Bieniecki, chairman, said further review of air pollution control study in Granite City by the research firm of Ryckman, Edgerley, Tomlinson & Associates will be conducted by the members.

Any citizen complaints also will be heard.

'Pay Your Bills Week' Speaker in Madison

"National Pay Your Bills Week" Feb. 2-6 was discussed at yesterday's Madison Rotary luncheon by David Tillman, associated with the Illinois Credit and Adjustment Co., who reviewed the history of credit and said the yearly scope of bill collections exceeds 15 billion.

Collection agencies and credit officials urge that individuals "keep their financial house in order by using credit cautiously, spending wisely and developing good money management habits," Tillman said. He was introduced by Jack Friedman, program chairman.

The club contributed \$25 to the March of Dimes and reviewed 1970-71 officer nominations by a committee headed by Fred Schmidt. The election was set for next Wednesday. President Richard Suss presented.

Gold Eagle Stolen

Armand A. Rosenthal, St. Louis, reported at 2:10 p.m. Tuesday that a gold eagle with a 10-inch wingspread was stolen from his 1962 auto while he was attending services at Emmanuel Baptist Church, 1800 Pontoon road, last Sunday evening.

Reilly Tar

overlay and 60,000 gallons of the tar-rubber mix.

Proposed for the next three years at Forbes are 960,000 gallons of the road tar and 552,000 gallons of the tar rubber mix.

The material must be set in temperatures of not less than 50 degrees as the tar is heated, Evans said. It is applied by a blumaine paving machine and then rolled, as in road building.

When asked about costs in relation to asphalt, Morrison said the road tar would be about twice as much and the tar rubber mix about three times as much, but the cost is not prohibitive because of the protection the process affords.

Other Air Force bases being considered, according to an engineer at Forbes, are Lackhouse at Columbus, O., George at Victorville, Calif., Hurbert Field at Mossy Head, Fla., MacDill at Port Tampa, Fla., Eglin at Crestview, Fla., and Mountain Home in Idaho.

Major Customer

The Noranda Aluminum Co. will be a major customer for the plant here, Morrison said, and is expected to add to the work force.

The aluminum reduction plant will use an electrolytic process, and pitch for the huge furnaces will be used in making the electrodes. The Noranda plant is expected to begin production in the summer, and equipment to supply Noranda is now being installed here, Morrison added.

The Reilly plant will produce eight tons of pitch a year and plans to purchase its own fleet of tank wagons to haul the material to New Madrid.

"The outlook is exceptionally good for this plant," Morrison commented. "Some things are not free to discuss, but it will make us one of the mainstays of the company, which operates 17 plants."

Good Labor Relations

"The Granite City plant has a potential because of its location, personnel and extremely good labor relations. We have had no labor problems since 1940," he continued.

"The men in the bargaining unit are interested and concerned in the company, making harmonious relations with management, and the employees know their jobs."

Morrison also announced some changes in the corporate structure of the firm, which is headquartered at Indianapolis, Ind.

Dr. F. J. Moatz was promoted from general manager of the family-owned company to assistant to the president until he retires in July. Other promotions include T. J. Ryan from controller to general manager; R. E. McAdams from head of the accounting department to controller; and L. W. Boyer from division manager to general manager of Republic Croasting Co., a wholly owned subsidiary.

Evans is directly responsible to F. L. Mittle, manager for the product, headquartered in Indianapolis.

MORE ABOUT New Assessor

new state laws providing reductions in real estate assessments on property owned and occupied by persons 65 and older, and the proposed elimination this spring of part of the personal property assessments of individual households.

Bridick pointed out that these procedures require the filing of forms and application blanks by all taxpayers who wish to take advantage of the assessment reductions, and that considerable work by his office is entailed.

Bridick's office now is receiving forms necessary for the \$1500 reduction in the real estate assessments of elderly persons or already 350 of such forms already have been filed, he said, and many more are anticipated before the March 31 deadline which his office will follow.

The \$1500 real estate reduction is limited to persons who became 65 years of age on Jan. 1 this year who own the property and who are occupying the property. The owners in such cases must provide a photograph or certified copy of the deed to the property as proof of ownership.

Will Pick Up Forms

Bridick said that his office is providing the necessary application blanks, and will mail them to applicants upon request. In cases where it is difficult for persons to come to his office, the blanks, deed copies and other information will be picked up, the assessor explained. Bridick said that his office is not providing routine service, but hopes to do so soon.

After the applications are completed and turned in to his office, Bridick said the forms will be forwarded to the Madison County Board of Review which, in turn, certifies them to the Illinois State Department of Revenue which has the final word in granting the \$1500 reduction. The state department returns approved applications to the board of review which makes the reduction in completing its assessments for the 1970 year late next fall.

According to Bridick, virtually the same procedure will be followed in April when the new personal property assessments are made. At that time, individual households will be allowed the deduction of household furnishings and one automobile, but this reduction also must be made by application to the assessor's office.

Bridick said his office is following the same procedure as that of the Granite City township office of Assessor James Bartlett in providing convenience to the taxpayer public in meeting requirements of the new state laws.

The new office will be used primarily by Reideberger during the tax collection period which customarily occurs during June, July and part of August. Reideberger has used the same location for collection purposes in past years, but only on a part-time basis.

Furniture Study By Homemakers

The Trio unit, Madison County Homemakers Extension Association, met Tuesday at 12:30 at Hope Lutheran Church for a monthly lesson and meeting. Hostesses for the dessert luncheon were Mrs. Clara Schilling and Mrs. Golda Thornburg.

The first vice-chairman, Mrs. Hulda Klug, conducted the business meeting. Two guests, Mrs. Glenda Osburn and Mrs. Freddie McElroy, were introduced and a new member, Mrs. Bea Rittenhouse, was welcomed.

Mrs. Florence Rupp and Mrs. Ada Matras were in charge of the day's lesson, "Choosing Up-to-date Furniture Wisely." The health lesson, "Kidney Stones," was presented by Mrs. Virginia Little.

Mrs. Dorothy Schanuel gave a financial report and Mrs. Helen Ozanich reported on the state meeting she attended in Urbana.

Announcement was made of an achievement meeting April 29 at the Evangelical United Church of Christ, Highland, and of the March 3 meeting, when the lesson will be "Building the Homemakers' Arsenal."

Other members present were Mesdames Ruth Brave, Edna Baugner, Florence Rapp, Wilma Ridings and Lela Soehling.

Senior Citizens Plan Dinner

Anchorage Senior Citizens resumed meetings Wednesday after a long vacation, due to inclement weather.

Mrs. Georgia Butler, president, was in charge at the first meeting held in the recreation room of the project and attended by 40 members.

A number of coming events were announced, including a pot luck dinner Feb. 18, when special guests are to be entertained; a birthday party for Feb. 25; and a Valentine tea at Calvary Baptist Church Feb. 15 from 2 to 5 p.m.

Transportation will be furnished to the church, and those attending are asked to meet at the Anchorage hall at 1:30 p.m. The Salvation Army will also resume entertainment, beginning at 7 p.m. Monday at the Anchorage.

B&PW Club Plans Events

The Granite City Business and Professional Women's Club held a business meeting last night in the offices of the Illinois Power Co.

Mrs. Evelyn Alford, president, was in charge and reports were given by Mrs. Dorothy Benninger, secretary, and Mrs. Rebecca Slater, treasurer.

Correspondence was read by Mrs. Dolores Allen, and announcement was made of a legislative conference in Springfield March 21 which several members plan to attend. A tentative district meeting in Litchfield March 8.

On October 25, the Granite City club will host the fall district meeting. Mrs. Pauline Weir has been appointed chairman, with Mrs. Bonnie Lazenby as co-chairman. Others on the committee are Mrs. State, Mrs. Mary Batson, Mrs. Lily Chaboude, and Mrs. Sylvia Wright.

Mrs. Alford reported on the March of Dimes tournament of bowling, and Mrs. Chaboude, membership chairman, gave her report. February 13 is the deadline for applications for the "Top Hat" award. It was announced, and Mrs. Alford gave a report of a recent Presidents Council meeting which she attended.

Mrs. Vernice Warman and Mrs. Helene Bishop presented the proposed by-laws which were accepted after several minor amendments.

Mrs. Lazenby, public relations chairman, gave her report and announced a committee meeting to be held in her home to plan for a dinner meeting at the Army Depot Feb. 18 at 6:30. Also reported was Mrs. Ruby Parker, Young Career women, chairman.

Mrs. Dorothy Benninger, secretary, and Mrs. Rebecca Slater, treasurer, were also present.

MISS JOYCE DIANE MYERS, whose engagement to Kenneth M. Yeager is announced.

Yeager-Myers Engagement

Announcement is made of the engagement of Miss Joyce Diane Myers, a daughter of Mrs. Gladys Myers, 271 Marshall avenue, and Waldo Myers of Fredericktown, Mo., to Kenneth M. Yeager, whose parents are Mr. and Mrs. Carl Yeager, 2910 Palmer avenue.

The bride-to-be is a senior at the Granite City high school. Her fiancé graduated from the local high school in 1969 and is now employed by Granite City Steel Co.

Plans are made for a wedding June 20 at the First Baptist Church in Madison.

Also announced is the engagement of Miss Joyce Diane Myers, a daughter of Mrs. Gladys Myers, 271 Marshall avenue, and Waldo Myers of Fredericktown, Mo., to Kenneth M. Yeager, whose parents are Mr. and Mrs. Carl Yeager, 2910 Palmer avenue.

The bride-to-be is a senior at the Granite City high school. Her fiancé graduated from the local high school in 1969 and is now employed by Granite City Steel Co.

Plans are made for a wedding June 20 at the First Baptist Church in Madison.

Partney Charges Township Aiding Calvo Campaign

Charges by a candidate for state representative in this year's elections that the Granite City township assessor's office is using its facilities and employees to further the campaign of incumbent State Rep. Horace Calvo of Granite City were denied today by Assessor James Barton.

The charges came from David Partney, independent Democratic candidate for state representative in the March 17 primary balloting, who asserted that a mimeographed statement crediting Calvo with playing "a very important part" in securing a \$1500 real estate assessment reduction for elderly taxpayers is being distributed by township employees at the taxpayers' expense.

Partney, who is the son of Granite City Mayor Donald Partney and who is opposing Calvo and State Rep. Leland J. Kennedy of Alton for one of the two Democratic representative positions subject to election this year, described as "a great exaggeration" the credit given Calvo for last year's assessment reduction.

Barton, however, said that no one in his office is "passing out or distributing" any kind of campaign literature.

Statements on the counter.

"Sure, the statements are here (at the assessor's office) for the public. They were prepared by Calvo at his expense and he asked if he could place them in the office. I was glad to do it for him. I will do the same for Partney if he has some material he wants placed on the counter," Barton said.

They were released at a meeting of the Eagle Park Acres Improvement Association.

Complaints were signed against five persons by Eddie Lee Salmond, president of the association and a sheriff's deputy, charging one with aggravated assault and all five with passing at the Caanan Gallie Missionary Baptist Church where the meeting was held.

They were released from the county jail at Edwardsville on notice to appear.

Salmond said eight to 12 persons who were not registered members were at the meeting and attempted to prevent the elections following opening prayers led by Clinton Thornton, vice-president. He said 60 to 75 members were on hand.

Salmond described the protestors as being the militant type, and said that during the process of evacuation, one of them struck him in the face.

Deputy Suspended

Meanwhile, Salmond was suspended from his job for one week by Sheriff George Musso. Mrs. Salmond had called the sheriff's department Saturday night that her husband would be unable to report for work as his truck had broken down in St. Louis.

The sheriff claimed that the suspension action was taken as Salmond did not report for duty upon his return to Eagle Park Acres. "Suddenly he appeared at the county jail Saturday night."

On Tuesday morning 36 members of the group, including Salmond, visited Sheriff Musso in Edwardsville to air their complaints on the conduct of the five persons arrested and of candidates in the community. The sheriff said they only complained about the suspension.

They objected to the suspension which Salmond said was unreasonable. "How can a sheriff suspend a deputy when his truck is broken down," he asked.

Salmond commented that "I think it's a shame that a community is not allowed to progress because of these militant type groups. I fear they not only hinder us from meeting, but they may hinder us from ever getting the opportunity to progress. I hope the people that were at the meeting will realize this."

"I hope the people at the meeting did get the opportunity to witness some of the degenerated types that we have in our community. I further hope that they will take steps in the direction of uniting themselves so that we, as a community, will put an end to these people and such acts as performed at the meeting Saturday night."

Salmond said that if local authorities cannot resolve the problems in the community, the same group that visited the sheriff will go to the governor for action.

He said the sheriff has been cooperating with efforts to improve the community for the past number of years.

Elected unanimously at the Sunday meeting of the Improvement Association, held at a private residence, were Salmond, president; Thornton, vice-president; Mrs. Jettie Thornton, secretary; Sylvester Gibson, chairman of the board; and William W. Buren, registered trustee. Twenty-two members were appointed to the board of directors.

During the meeting, attended by 50 to 75 members, signatures were obtained on petitions seeking a traffic signal at the Route 203 intersection. They were presented to the Venice school board office Monday.

City, County Both Have Obligations to Courts — Portell

Noing recent statements to the Press-Record by himself and by Mayor Donald Partney, Circuit Clerk Willard V. Portell today said he now favors continuation of court services in Granite City but stressed that "the city and county must both meet their obligations."

Text of his letter follows: "This could go on and on. However, this will be my last letter."

"In the first place, I have respect for the office of the mayor and office of the circuit clerk. I will not get into a name-calling contest. I personally intend to maintain the dignity of these offices."

"With the system we have on traffic tickets, the mayor, myself or anyone else cannot fix a traffic ticket. I think we are in agreement on this and think it is best for everyone concerned that no traffic tickets are fixed in Madison county at any time."

"If this 'lug' stuff were true, I would not still be paying off several loans on money I borrowed to pay for my last election. These issues have nothing to do with the court system and the little problems we have could have been resolved by discussion."

Supreme Court Rules

"All in all, we have established these facts. If the city of Granite City or any other city want courts, they must provide according to the Supreme Court rules."

"The clerk's obligation is to furnish his office with all equipment, pay for all supplies, and give the best possible service. We feel we are filling our obligation."

"We have established that we are both interested in keeping courts in Granite City. This face of the circuit clerk at Ed-

wardsville would save the county at least \$10,000 per year."

"Last, but not least, we have established that the mayor does not like me, but I will not lose any sleep over this fact."

"One thing we have not established is that I was elected as clerk of the court and I intend to run my office without interference from anyone else."

"I will be solely responsible to the people who elected me. It is our intention to keep the courts in Granite City."

"My argument is simply this, that the city and county must both meet their obligations. We have never had any problems in our relations as the most cordial."

"If you and your office can help resolve this in any way, I will appreciate it very much."

Factions Dispute 172 Major Crimes in GC Over Eagle Park Group Election

A dispute between factions of the Eagle Park Acres community was aired this week following a disturbance at an election meeting of the Eagle Park Acres Improvement Association.

Complaints were signed against five persons by Eddie Lee Salmond, president of the association and a sheriff's deputy, charging one with aggravated assault and all five with passing at the Caanan Gallie Missionary Baptist Church where the meeting was held.

They were released from the county jail at Edwardsville on notice to appear.

Salmond said eight to 12 persons who were not registered members were at the meeting and attempted to prevent the elections following opening prayers led by Clinton Thornton, vice-president. He said 60 to 75 members were on hand.

Salmond described the protestors as being the militant type, and said that during the process of evacuation, one of them struck him in the face.

Deputy Suspended

Meanwhile, Salmond was suspended from his job for one week by Sheriff George Musso. Mrs. Salmond had called the sheriff's department Saturday night that her husband would be unable to report for work as his truck had broken down in St. Louis.

The sheriff claimed that the suspension action was taken as Salmond did not report for duty upon his return to Eagle Park Acres. "Suddenly he appeared at the county jail Saturday night."

On Tuesday morning 36 members of the group, including Salmond, visited Sheriff Musso in Edwardsville to air their complaints on the conduct of the five persons arrested and of candidates in the community. The sheriff said they only complained about the suspension.

They objected to the suspension which Salmond said was unreasonable. "How can a sheriff suspend a deputy when his truck is broken down," he asked.

Salmond commented that "I think it's a shame that a community is not allowed to progress because of these militant type groups. I fear they not only hinder us from meeting, but they may hinder us from ever getting the opportunity to progress. I hope the people that were at the meeting will realize this."

11-4 Record for GCMS In 3rd Soccer Season

Much of the winter has been typically icy and cold, but for the soccer Warriors it has been a hot season.

The kickers finished with their first winning record in their three-year history and, to boot, six of the victories were shutouts.

The new team, three seasons ago, ended with a proud but poor 2-7-3 record. For the second season, the Warriors registered a more than respectable 11-4 record, to boot, six of the victories were shutouts.

The Warriors, now largely composed of seniors, celebrate the currently completed season with an 11-4 mark, built upon an overall performance of allowing only 16 goals and making 39 goals.

Strong Backfield Defense
The team has been guided since infancy by Coach Tom Wyrostek. In explaining this season's success, he points to the four backfield "horsemen" of seniors Rich Lesco, Ed Hagauer and co-captains Rich Schardan and John Winfield.

The four relieved much of Wyrostek's pressure, with the lack of an experienced goalkeeper, by providing a rugged defense.

Goalie Jeff Boyer, credited with two shutouts will be lost through graduation. Junior goalie Cecil Barnes received credit for four shutouts.

Because seven starters will graduate, Barnes may be forced to play in the field and responsibility for protecting the GCMS nets may go to Jeff Worthen, now a sophomore with little varsity experience.

Monahan, Reutebuch, Galvan
Senior Jerry Monahan has been the greatest contributor to the Warriors' scoring punch. He led the team with ten goals and assists.

Dennis Reutebuch, another senior, has been the team's playmaker from his center-forward position.

Others in on the scoring, goal-assists: Bob Galvan 15, Reutebuch 4.5, Jim Farner 4, Bill Brombauer 3.4, Winfield 0.4, Domingo Valencia 2.2, Lesco 1.4, and Boyer, Hagauer and Jerry Danon, each with one.

In several games, poor ground conditions have hampered the local squad more than its foes.

passing. Ball control style of game instead of the kick-and-run method employed by some teams. Two games were canceled this season because of ice and mud.

Possible State Meet
Several Chicago area schools are promoting a state championship soccer tournament, to be sponsored by the Illinois High School Association. Unfortunately, if a journey does materialize the Warriors will be unable to compete for the state championship.

The overwhelming majority of the Illinois prep play during the fall, while St. Louis Metropolitan area schools play during the winter months.

A state tournament would likely be held early in November, before GCMS organizes for its season.

The junior varsity "Warrior team" under Assistant Coach Stan Wojcik gathered a 3-1-1 record this season.

4-0 Hockey Shutout; 2 Games Scheduled
Matthews Chevrolet's Pee-wee hockey team lost 4-0 at Kirkwood, Mo., Tuesday. One goal was made in the first period, two in the second and the final goal in the third period.

Granite City Dodge's Squire team will play two games this weekend at the Wilson Park ice rink. On Saturday, Kirkwood's Squires will visit at 11:45 a.m. On Sunday at 8 a.m., the Steinberg team of St. Louis will be here.

Mat Junior Varsity Tops Maroons 41-11
Warrior junior varsity wrestlers defeated the Belleville Mat boys 41-11 here Tuesday.

Victors by pins for Granite City were: 107 pounds, Tom Huff, 123 Doug Wilson, 130 Dale Miner, 145 Rich Sajak, 155 Rick Wickham, 165 Tom Kallert, and 175 Mike Wilton.

Harley Miller, 98, won by decision. Larry Menes, 155, and Heavyweight Craig Stephens lost by decisions. Norris Egbert, 137, was pinned.

WINNING SOCCER SEASON. Warrior kickers who produced the best record, 11-4, in the three-year history of the team are: Kneeling, left to right—Bill Brombauer, Bob Galvan, Dennis Reutebuch, Jerry Monahan and Jim Farner. Standing, at left—Coach Tom Wyrostek. Second row—Jeff Boyer, John Conway, Rich Lesco, Rich Schardan, John Winfield and Cecil Barnes. Back row—Dave Cunningham, Scott Wilson, Sam Valencia, Jerry Duncan and Stan Almon.

O'Fallon Clinches
Third Title in Row
O'Fallon clinched its third straight Cahokia Conference championship Tuesday by winning at home 76-68, over Mascoutah.

With 12 Cahokia league contests in the season, O'Fallon has a 9-1 mark and second-place Columbia has a 6-4 mark.

Venue will play in the O'Fallon district tournament Feb. 23-27.

Tigers Still Winless After Tilt With MHS

Tom Noel was the only Trojan to have an outstanding night as Dupo bowed for the 10th time in 19 outings, 62-55, Tuesday at the MHS hardwood.

Noel took game rebounding and scoring honors with 21 retrieves and 30 points as his teammates contributed a total of 32 other points.

Coach Larry Graham said most of the weaknesses in the Trojans' performance related to the lack of strong competition from the Tigers.

The four MHS guards together gathered only 10 points, and the team was inconsistent in its ball handling.

"We'd better be playing much

better at Highland," Graham noted. Highland, another Midwestern Conference foe, will host the Trojans at 8 p.m. Friday.

Highland's scoring attack is led by a 6-3 lefthander, Nickerson, who does the majority of his scoring from outside.

Against Dupo, Madison led at the quarters, 15-8, 28-22 and 45-29.

Joe Dozier, in recent games a mainstay of the Madison team's scoring, tallied five against Dupo.

Other pointmakers were Oscar Hagler six, John Ervin five, Douglas Griggs, William Cannon and Chuck Dandridge, four apiece, and Larry Boyd and Philip Davis, two each.

Cougar Five Misses Century Mark But Outdistances Harris

SIU-SW won 98-82 at Harris Teachers College of St. Louis Wednesday.

Cougar points came largely from John Summers 25, Benie Pitts 24 and Dennis Carroll 21. Others tallied: Rich Essington 14, Don Hays six, Fred Madine five, Jack McBride two and John Bell and Jack Hohn, one each.

Harris' Stan Woods took game scoring honors with 44. At halftime, the Cougars led 55-44.

The victory gives SIU-SW a 3-1 record, and the Hornets' record fell to 3-13.

Essington hit 438 from the field but early foul problems kept him on the bench for most of the second half. Summers meshed 529 from the floor and along with Pitts paced the Cougars in rebounds, each garnering 11.

Inter-City Session
The Southwestern Illinois Inter-City Baseball League will meet at 2 p.m. Sunday at the Maryville Civic Center in Maryville, Illinois.

30 Points by Noel Boost Loop Average

Trojan Tom Noel, with 30 points gathered Tuesday against Dupo, has moved into the No. 2 spot in the Midwestern Conference individual scoring race.

After a loss to outgoings, Noel carries a 20.5-points-per-game average. Dave Taylor of Bethalto leads the league with a 29.7 clip in seven games. Triad's Keith MacFarland is third with 20.8.

Joe Dozier of Madison, connecting for five points against Dupo, dropped out of the conference top ten with 16.8 average.

Warrior high point man Dave Meiler is fifth in the Southwest Conference race with a 17.1 clip for eight outings. Ahead of Meiler are Larry Jenkins of East St. Louis, 18.0, Collinsville's Jerry Ashby 19.5 and Belleville West's Bob Craig, 18.8.

13th Venice Victory Unlucky for Freeburg

Venice clubbed Freeburg 68-28 here Tuesday after earning quarter leads of 14-6, 30-15 and 52-21.

Coach Bill Ohlendorf of the Red Devils concluded, "Freeburg is young; they've got a lot to learn. They'll be stronger in the future."

Freeburg attempted, with some success, to box out the Devil's high-scoring Fessor Gray. He put up only 11 attempts from the floor, but sank a sizzling eight of them and took game honors with 17 points.

Balancing Venice's attack were Douglas Johnson with 16 points and eight rebounds; Cedric Gardner, 14 tallies and ten caroms; and Andrei Johnson's nine points and nine retrieves. Gray grabbed eight off the boards.

Jim Ohlendorf contributed four points and Harold Genterman, Robert Coleman, Ramon Moser and Herbert Bufford each scored two.

Gray is sixth in the area's individual scoring race with a 22.8 average in 18 games.

Gardner ranks ninth with a 20.8 clip in 19 contests.

Others topping the region in points are Bethalto's Dave Taylor 28.1, Assumption's Rick Sullivan 27.8, East St. Louis' Larry Jenkins 27.0, Livingston's Moggi 26.7, O'Fallon's Reno 23.0, Marissa's Diecker 22.4 and Collinsville's Jerry Ahart 21.8.

Visit Livingston Friday

The basketball Devils will travel to Livingston at 8 p.m. Friday. Livingston has a 13-9 mark and Venice boasts a 11-9 mark.

Earlier in this season, Livingston lost at Venice 108-58. Coach Ohlendorf recalls, "We played them a year ago. Or it seems like a year."

"Livingston is a different team on its own floor at their court, on any given night, they can throw everything at you."

Area Sports Agenda

TODAY
(Basketball)
Prather (9 only) at Wood River, 6:30 p.m.
Venice (9 only) at Coolidge, 4 p.m.

Ask Your Game Warden

By DONALD HASTINGS, CONSERVATION OFFICER

Q. As a kid I trapped rabbits with a box trap. Someone now says my kids can't do it?

A. This is correct. The game code does not specifically say you cannot trap rabbits but it does say that cottontail rabbits may only be taken with a gun or snare. If you caught one by means of a box trap, you are in violation of the law. Snare traps, deadfalls and other traps would also be illegal.

Q. Can I carry a pistol while hunting on the way home?

A. Yes, while walking it should be openly displayed outside your coat and may be carried loaded and used for shooting a rabbit, coon, groundhog and squirrels. The only place you cannot carry it is during deer season while hunting deer and while training dogs out of season. A pistol cap and case or light holster according to conservation law. I believe it should be carried this way and in an exposed position such as having the holster laying out on the seat.

Q. I would like to get employment in conservation work. How can I?

A. If it is a rifle or shotgun must be unloaded and enclosed in a case. Simply broken down will not suffice. If it is a pistol or revolver it must also be unloaded and enclosed in a case or light holster according to conservation law. I believe it should be carried this way and in an exposed position such as having the holster laying out on the seat.

Q. I would like to get employment in conservation work. How can I?

A. Opportunities are very limited. If you are young enough I would suggest getting a degree in some related college subject as this will soon be a necessity. The first step is to write the State of Illinois, Dept. of Persechwell, Springfield, Ill. 62766. Ask them to send you a bulletin on conservation employment opportunities and the personnel code. You should receive all the information you need for the next step. If you would consider moving you might want to write various other state conservation departments usually addressed to them at the capital city of that state. Most all job opportunities require you to be at least 21 years old and most also have a maximum age limit. Most have a high school education and many a college degree requirement.

Q. I want to raise some wild birds or animals. Does this require a license?

A. Yes. In the case of game and migratory birds such as ducks, quail and etc. you must purchase a Wild Game Breeder's permit. For animals such as raccoon and etc. you must have a license.

Southwest Mat Meet Saturday

Warriors will grapple in the Southwest Conference tournament starting at 11 a.m. Saturday at the Wood River high school gym. The tourney will be non-stop through to the finals with the title bout expected to begin about 2:30 p.m.

Seven GCHS wrestlers will enter with undefeated records in loop dual meets.

They are, with their overall season records: 98 pounds, Bruce Miller 15-3-2; 107, Lenny Puchs 21-1-1; Lenny Wilson 10-5-12; Al Bridgeman 29-1; 130, Fay Burcham 22-5-1; 175, Steve Ganz 18-2-2; and heavyweights, Dan James 12-5 or Mark Mizerski 8-3.

Other Warriors to enter are: 127, Cliff Yeager 6-12-1; 145, Rich Sakaj 1-9-15; 150, Frank Melchic 11-9-1; 165, Bruce Evans 23-4; and 185, Jim Greenwood 11-8.

Melchic lost 3-2 to Charles Pace of East St. Louis but wrestled him to a draw in a more recent meeting. Evans lost to Edwardsville's Tom Motes 4-3 but several weeks ago pinned him in 4:30. Greenwood lost to East St. Louis' William Moore. Miller's chief foe will be Flyer Derrick Spiller. Burcham's biggest problem will be Edwardsville's Larry Freidline (165-1).

Also competing will be Alton, Belleville West and Wood River.

Sanford Wins by Five, Bows by One

Sanford-Brown defeated St. Louis Christian College 82-77 Monday and lost 90-80 to the University of Missouri at St. Louis junior varsity Wednesday.

Sanford was down by seven points at halftime Monday. Dennis O'Mara led the victory with 23, Bill Capstick tallied 19 and Ed Blund of Madison, 17.

UMSL had a 17 point edge at intermission. With 2:30 remaining in the game, Sanford had pulled to a six-point lead, but two UMSL free throws with one second remaining led to a Sanford win.

On Saturday night, it will be Sanford vs. St. Mary's College of the Christ Memorial Baptist Church gym in St. Louis.

buy a Fur Bearing Animal Browsers Permit. Both of these licenses cost \$10 per year and are due in February of each year. Remember though that when you apply you must be able to prove that you acquired the birds or animals from a licensed breeder. If you caught them in the wild the permit will not be issued and you are subject to arrest. There is nothing as a wild animal pet permit. This is to keep people from stealing baby animals from the wild. If you are going to keep Federally protected birds such as wild ducks, geese or doves you may want to contact the U. S. Fish and Wildlife Service at Springfield, Ill. to be sure you also comply with their laws. Don't attempt to get your start by catching wild animals or birds. I have a list of persons who now have game breeder's permits from whom stock is available or consult the ads in most of your hunting magazines.

Madison HS Student-Faculty Program Heard

Grooming and dress codes for students attending Madison high school, the lack of a Parent-Teacher Association at the local high school and what authority is invested in the student council were topics questioned last evening by a panel of Madison HS students taking part in one of a series of adult-teen programs at the Garcesch Homes.

Student panelists were Tony Young, John Gardner, Carla Sprankler and Chuck Harmon. Others on the panel were Reese Hoskins, Madison high school assistant principal and Mrs. Dolores Folkerts, high school counselor. Curtis Kimbro, a MHS student, served as moderator.

The educational series was planned for the Madison HS students taking part in one of a series of adult-teen programs at the Garcesch Homes.

It was announced that formation of a "Sung-Out" group with students from Granite City and Venice high schools is planned. The project still is in its formative stages, the Madison students said.

The Family Life Education program is sponsored by Madison County Economic Opportunity Commission, with Mrs. Mary Rues and EOC supervisor and Miss Sue Billman, a Vista Volunteer, in charge. Drug abuse, police-community relations and similar topics have been presented at earlier meetings.

Anyone who knows of a tree of unusual size should contact a district forester or the division of forestry, 106 State Office Building, Springfield, Ill. 62766. Siemert said. The name and address of a district forester may be obtained from the Soil Conservation Service or other agricultural offices.

Any person wishing to nominate a tree must do so on a special form available from a forestry office. He will be given instructions on how to measure his nominee. Big tree nominees do not have to be native species, Siemert said. District or introduced trees such as the Tree of Heaven and Ginkgo are eligible.

The finder of a record sized tree will receive a certificate from the Department of Conservation. Anyone who has nominated a tree that is on the original list of state champions may obtain a certificate from the Department of Conservation. Siemert said. District foresters will measure and verify all winning trees.

The American Forestry Association conducts a big tree search throughout the United States. Several Illinois trees are considered national records.

A Blue Ash in Funk's Grove in McLean county, with a trunk 8 inches in circumference, is the largest of its kind in the United States.

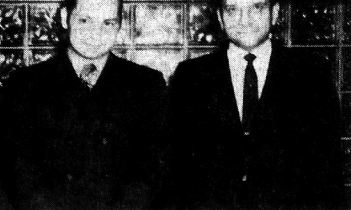

A Shesler Hickory, 10 feet, 5 inches in circumference, and a Shumard Oak, 15 feet, 11 inches around, are the biggest of their species in the United States. Both grow in Beall Woods State Park near Keensburg in Wabash county.

The biggest European Alder ever found in the United States, a free measuring 5 feet, 8 inches in circumference, is in Pioneer Park near Naperville.

In Calumet City is another record tree, a Flowering Dogwood, 10 feet, 4 inches in circumference.

A Caldwell Oak in Edgebrook Woods, Cook county, is a national record for its kind. It is eight feet, 3 inches in circumference.

The Hawthorn family of trees is a large one composed of many species. A Downy Hawthorn in Edgar county, a tree eight feet, one inch in circumference, is the largest of its species known.

ASSOCIATED RETAILERS OFFICERS for 1970 who were elected last night. Left to right—Paul Niebur, vice-president; Arnold Fleishman, president; and Anthony Zedolek, vice-president. Niebur succeeds Herbert Schermer. Fleishman and Zedolek were re-elected. Not in the photo is Eugene Guttin, re-elected secretary-treasurer.

Mrs. Betty Parker Given Recognition

A Granite City resident, Mrs. Betty A. Parker, 2020 Clark avenue, received a certificate of recognition from the Army Aviation Systems Command (AVSCOM), St. Louis, for having accumulated more than 1000 hours of sick leave.

Mrs. Parker, an employee in material maintenance at AVSCOM, received the award from Norman Koslow.

Arrested in Venice

David B. Potts, 21, of 1988 State street, was arrested by Venice police about 7:25 a.m. Wednesday on charges of disorderly conduct and resisting arrest. Police said they arrested Potts at the McKinley bridge off on Main street where he created a disturbance. Later he became abusive to police, resulting in the charge of resisting arrest, authorities said. He was released on a notice to appear for hearing March 4.

Boats into Parked Car

An auto driven by James C. Taylor, 1728 Cleveland blvd., backed into the front of the parked car of Ron E. Hill, 1127 Calhoun street, Venice, at 12:55 p.m. Wednesday on the Yellow taxicab lot at 1338 Nineteenth street.

Venice City Attorney Harry Hartman, and City Clerk William Ebersold.

Others attending last night's planning session were Steve Konkovich, Post 51 public relations director; Andy Spori;

Higher Board Cuts Programs for SIU-SW

A doctoral program in social sciences along with engineering programs planned at Southern Illinois University-Southwestern were rejected by the Illinois Board of Higher Education at Chicago on Tuesday.

The board also trimmed the SIU-SW request for \$1,362,112 for a school of dental medicine to a recommended \$600,000.

The Board of Higher Education's recommendations are to be submitted to Gov. Ogilvie for review before being presented to the legislature in April.

MORE ABOUT Two Homes Two Children

ankle which were x-rayed. Both were released.

Pearlie C. Stockman, 3013 Edgewood, died when she was injured when an auto in which she was riding, driven by John H. McDonald, 3224 Wayne avenue, struck the rear of the parked car of Pam Cruso, 2746 Washington avenue, parked in front of her home at 11:10 p.m. Tuesday.

The injured woman was taken by ambulance to St. Elizabeth Hospital where she was admitted with multiple superficial cuts to her forehead. X-rays were taken.

McDonald, who said it appeared that someone threw something against his windshield, was charged with careless driving.

Two Granite City area residents were injured when an auto driven by Norman D. Smith, 10 Pulley, 22, of the Brune avenue address, escaped injury.

Smith police reported that a state left asleep and crossed the highway into a ditch before striking the culvert. He was struck west.

Taken to St. Joseph's Hospital in Breese were Smith and a passenger, Novella E. Pulley, 23, of 4061 Brune avenue. Another passenger, Archie T. Pulley, 22, of the Brune avenue address, escaped injury.

Smith police reported that a state left asleep and crossed the highway into a ditch before striking the culvert. He was struck west.

James McClintock, 2032 Cleveland, reported at 11:30 p.m. Wednesday that two front mag wheels valued at \$200 were stolen from his 1969 auto while it was parked on a lot at 16th street and Madison avenue.

Battery Charge Filed
Gary W. McKay, 21, of 2000 Alexander street, was taken into custody at his home at 5:55 p.m. Wednesday on a warrant charging battery. The complaint was signed by Walter N. Schmidt.

Parked Car Damaged
A parked car owned by Ed McKine, 411 Sell street, Venice, was damaged in the left rear when struck by an auto driven by Ernest J. Allison, 1726 Edwarsville road, Madison, in front of McKine's home, about 7:20 a.m. Wednesday. Allison said he was driving north on Sell and swerved his car to avoid hitting a dog that ran in front of his car, causing him to crash into the other car.

CHARLES P. WHITEHEAD, former president of General Steel Industries, speaking at Tuesday's annual meeting of the Tri-Cities Area United Fund at Sunset Hills Country Club, attended by 150 persons.

105 Award Presentations United Fund Elects Directors, Officers

Officers of the Tri-Cities Area United Fund were re-elected and 23 directors were elected to three year terms during the 13th annual membership and awards banquet Tuesday evening at which Charles P. Whitehead former president of General Steel Industries, was guest speaker.

Re-elected officers are H. D. Karandjef, president; George Becker and Leo H. Kenzen, vice-presidents; George E. Banks, secretary; and Melvin O. McKay, treasurer. The annual meeting was held at Sunset Hills Country Club.

The new directors named to three-year terms are Mrs. Victor G. Anderson, Dale Arnette, Thomas Austin, Charles Buchanan, Edward F. Boyer, Richard Dawdy, Edward J. Forys, Jack Friedman, George Geggus, Melvin Gilie, Marvin Gramlich, Morris Hamel, Richard Houston, Edward Juneau, Harold Karandjef, Melvin O. McKay, George Moore, Bob Marries, Michael Reinhardt, Richard Spiller's, G. H. Sternberg, James Smith and Austin Witter.

Named for two-year terms to fill vacancies are John Bennett, Col. Ned Dickson, Roy Graham, Lewis Leighton and Dr. George W. Wilkins, all elected to one-year terms to fill vacancies are Arnold F. Fisher, Homer Huber, Howard Kaseberg, Richard Spillers and A. P. Stenhouse.

Townsend explained the size of the board and been expanded from 60 to 68, with the terms of 23 directors expiring each year.

The guest speaker, Mr. Whitehead, was introduced by Richard Lich, president of the Chicago Division of General Steel Industries, and a member of the local U.F. executive committee.

In his talk, Whitehead stressed the importance of community service and the need to educate individuals on the services offered by United Fund agencies.

Emphasis on Youth
Whitehead, who has aided local United Fund campaigns, said he was well aware of the emphasis placed on youth character building programs among the United Fund agencies and that emphasis should be continued on aiding the "future leaders of America."

U.F. President Karandjef pointed out that Whitehead aided materially in raising funds for Camp Sunn for the Chicago Mounds Boy Scout Council and for a renovation program at the YMCA building.

He presented Whitehead with an engraved plaque for his services to the United Fund.

A short talk was given by Leo Kenzen, who headed the 1970 United Fund campaign. He was aided by Carl Mathias in presenting awards which were handed out by the "maids of Camelot," Misses Debbie Baker, Carla Madras, Kay VanNette and Pam Metzger.

Award Recipients
Firm and employee groups receiving awards were: Air Products and Chemical Co., American Steel Foundries, Arnette Patterns Co., Fox Industries, Gebo Machine Co., General Steel Industries, Granite City Press-Record, Granite City Steel Co., Granco, Industrial Supply Co., Roseman Division, Nesco Steel Barrel Co., Nestle Co., Proctor & Gamble Co., Shear, Martin & Co., Smith Corp., United Steelworkers office staff.

Obituaries Sr. Leadership Club Of GCHS Holds Dinner

The Senior Leadership Club of Granite City high school held its annual social event Monday evening in the form of a semi-formal banquet at the officers club of the Granite City Army Depot.

After the dinner, Miss Barbara Kersch, sponsor of the club, Mrs. Vee Thorne and the 23 club members in attendance played several games under the direction of Elaine Taratocio, chairman of the entertainment committee.

Miss Taratocio was assisted by Debbie Portell and Mary McCarty. Themes of the games were February holidays, and several prizes were awarded, with major prizes going to Cheryl Blockberger and Ray Lynn Homola.

Sara Merkelbach was general chairman of the banquet.

Scout Week Activities Will Begin Saturday

With Boy Scout Week to be observed nationally Feb. 7-13, Calokas Mount Council cub packs, scout troops and explorers are preparing for window displays, campouts and other displays, with participating units receiving Scout Week certificates.

Observances related to the 60th anniversary of the Boy Scout movement, which was founded on Feb. 8, 1910, will include wearing of uniforms to churches and schools, scouting programs at Parent-Teacher Association and other meetings, flag ceremonies at schools, unit dinners attended by parents and scouts, unit open houses and performance of "good deeds" for sponsoring institutions.

Church Banquet in Vandalia Sunday Night

Dr. S. Morris, Chicago, who has toured Europe, Africa, the Holy Land and the Far East, will address the tenth annual brotherhood banquet sponsored by the Greater Bethel Lutheran Church and the Methodist Episcopal Church at 5:30 p.m. Sunday at the American Legion hall, 740 Broadway, Vandalia.

Virgil Calvert is to toast Master and Clifford Butchman's orchestra will provide dinner music. Mrs. Joseph Garrett is general chairman, Mrs. Mattie Harris co-chairman and Mr. Fred H. Oliver, pastor.

Parking Lot Accident

While backing up on the lot at National Food store, an auto driven by Tom Byrne, 3213 Auburn avenue, struck the left rear of a car driven by Dorothy Stepling, Edwardsville, who was stopped in a traffic lane at 4:30 p.m. Wednesday.

REWARD!

YOURSELF WITH A STATE SENATOR WHO HAS EARNED A REPUTATION FOR LAW AND ORDER AND FAIR TAXATION

VOTE FOR DICK MUDGE

DEMOCRATIC CANDIDATE

As a State Representative, Dick Mudge's opponent co-sponsored or voted for the following bills:

1. HOUSE BILL #2936 which would allow taverns to sell liquor on election days, while the polls were open.
2. HOUSE BILL #2485 which would permit public officials, including city officials, state's attorneys and sheriffs, to own or operate a tavern or liquor business.
3. HOUSE BILLS #s 129, 131, 132, and 133 which would permit cities and counties to increase their local sales tax by 25%.

During his term as state's attorney Dick Mudge ended, the outrageous influence of the underworld in Madison County. During this same period his opponent was keeping a tavern in Edwardsville, and apparently developed an enthusiasm for special legislative favors to tavern keepers from this background. Special favors may also explain the reason Dick Mudge's opponent has been so strongly promoted by Chris Costoff of the Venice-Madison political organization. Cost-off, whose wife operates a tavern in the city of Madison, is a city official of that city.

It is far more difficult to understand the enthusiasm of Dick Mudge's opponent for increasing the sales tax. This direct increase in the cost of food, clothing, and all other essentials is an unfair burden on the average wage earner, and an intolerable burden on those who have retired.

If you are genuinely concerned about low and order, as well as a fair tax program—DICK MUDGE IS YOUR CANDIDATE!

ELECTION - TUESDAY MARCH 17

Arlington Heights News

MRS. FAYE HESTER
64 Karen Drive
931-2415

EIGHTH BIRTHDAY OF MARK KASTELIC

Mark Kastelic, son of Mr. and Mrs. John Kastelic, 2 Hanson drive, was honored Sunday afternoon with a birthday party given by his parents. He was eight years of age. It was a Ronald McDonald party and a circus theme was carried out in the decorations. All games played were balloon games, with each child present receiving a prize. Prizes were selected by the children from a "grab box" painted to depict the Ronald McDonald Clown, his mouth giving up the prizes. Hamburgers, French fries, malts and birthday cake were served to John Mabry, Dan Horvath, David Underwood, Paulette Foster, Shelly Opich, Linda Dean, the honoree and his brothers, John and Keith.

MRS. TORIGIAN HEADS CIVIC ASSOCIATION

The Arlington Heights Civic Association met Monday evening at the Arlington golf club. David Rawden, president presided over the meeting.

Nominations for officers for the year of 1970 were taken from the floor and were voted upon.

Elected were Mrs. June Torigan, president, Robert Bishop, first vice-president, Mrs. Judy Laughlin, second vice-president, Mrs. Francis Rawden, secretary, and Edward Rakowski Jr., treasurer.

Joseph Schall and John Kastelic were re-elected as trustees. The bylaws of the association were amended to the effect that meetings will be held on the last Tuesday of the month and that, instead of monthly meetings, the association will meet quarterly — in January, April, September and November.

Special meetings can be called when it is deemed necessary. Area residents will be notified of the next meeting date.

PLAN VALENTINE PARTY

Mrs. Mary Lou Hudson, Mrs. Ruth Buer and Mrs. J. June Ramsey met Tuesday afternoon in the Lake School kindergarten room with Brownie Troop 1156.

Brenda Hudson, president, led the group in the pledge to the flag and the Brownie promise. Dana Buer called the roll, which girl answering with her favorite day in February. Present were Julie Adams, Dana Buer, Dana Buer, Shari

Christ, Cindy Granger, Melody Hudson, Beverly Jones, Bobbi Lorentz, Marsha Madison, Shelly Pohlman, Lori Ramsey, Rebecca Rawden, Sharon Scott, Barbara Seifried, Vicki Singleton and Cheryl Stogdill.

Two new members, Kim Filleff and Lisa Ybarra, attended.

The co-leaders assisted the girls in completing a project started last week, candy treats to be taken to patients at The Columbian nursing home. Plans were made for a Valentine party to be held next Tuesday afternoon during the meeting time. Mothers interested in donating refreshments are to contact Mrs. Hudson.

DELEGATES CHOSEN

Brownie Troop 418 of Lake School opened its meeting Wednesday afternoon with the pledge to the flag, led by Teri Warren, and the Brownie promise, led by Mary Ann Washburn.

Mrs. Carol Babich and Mrs. Sarah Tabor, co-leaders, assisted the troop members in making soap fish for their mothers for St. Valentine's Day.

Carolyn and Teresa Thompson were chosen to represent their troop at "thinking day" to be held Feb. 22 at Naameoki school. Cheryl Rushing and Robin Robinson, a new member who transferred from a Marshall school troop, were selected as alternates.

Others attending were Stacy Babich, Linda Dean, Michelle Embrich, Stephanie Embrich, Alisa Galbraith, Lisa Gifford, Susan Groce, Lori Ann Jolley, Rachelle Opich, Peggy Rushing, Anita Schmidt, Jolyn Tabor, Rachel Vassiloff and Rita Vassiloff.

CLUB AIDS COUNTY DEMO CANDIDATES

The Madison Ladies Democratic club met Monday evening at the Sportsman's club. Mrs. Cora Barr, president, opened the meeting with the pledge of allegiance to the flag.

During the business meeting, a donation was made for Madison county Democratic candidates.

A discussion was held, after which two tickets were purchased for a dinner being held March 15 at the American Legion home for candidate Walter Simmons, clerk of the Appellate Court.

A social is to be held March 11 at the Fireman's hall in Madison. Mrs. Georgia Graham is to be chairman, with Mrs. Sophie Kraus as co-chairman. They appointed committees for the social.

Mrs. Maxine Cossitt, secretary, called on Mrs. Janice Brown to read an article, "What is an American?" which the group then discussed.

An election of officers was held, with Miss Judy Kraus named president, Mrs. Sophie Kraus vice-president, Mrs. Dan secretary, Mrs. Joseph Knezovich treasurer, Mrs. Balaz Swager chaplain and Mrs. Alisa Balazovich marshal.

Trustees chosen were Mrs. Vera Sikera, Mrs. Julia Gordan and Mrs. Helen Knezovich.

The officers will be installed March 2. Mrs. Knezovich will be the installing officer. Members may call Mrs. Cora Barr, the retiring president, for reservations.

Each member is to have a covered dish for the dinner to be held prior to the installation. Mrs. Sikera was awarded the evening's prize.

Games were played prior to the adjournment. Other members responding to roll call were Mrs. Angie Bader, Mrs. Frances Treier, Mrs. Veronica Kula, Mrs. Netie Gogowski, Mrs. Sophie Lerner, Mrs. Laverna Doherty, Mrs. Florence Spahr and Mrs. Kera Nemoff.

Mrs. Harris, Mrs. Kraus, Miss Kraus and Mrs. Knezovich were hostesses for the month.

MRS. RIDGOUT HOSTESS TO QUEEN ESTHER CLASS

Mrs. Velma Ridgout, 2636 McCasland avenue, entertained the Queen Esther Sunday school class of the First Church in her home Monday evening. Scripture was read and the devotion, "Stick With It," was read.

MRS. HARRIET LOVINS
2332 O'Hare Avenue
877-6936

FUTURE SLENDERETTES HONOR Mrs. WILSON

The Future Slenderettes club met Tuesday night at the East Side Levee and Sanitary district was Barry's Garden at St. Petersburg.

Mrs. Helen Wilson was in charge of roll call. Mrs. Vivian Davis received the "queen of the week" title and was presented with the queen's pin, a basket of fruit and a prize.

The birthday of Mrs. Wilson was observed, with those present singing "Happy Birthday." Cake and coffee were served to those named and Miss Kathy Brasse and Mrs. Roberta Davis. The next meeting will be held Tuesday.

VACATION IN SOUTH

Mr. and Mrs. Bill Stearns, 1411 Ridgeway, returned home Sunday from a two-and-one-half-week vacation to Florida.

"Hats" was presented by Miss Kora Rogers, who also led prayer.

Roll call was answered by Mrs. Gerrie McManaway, Miss Rogers and Mrs. Ridout, who discussed the resolutions of the class. A card of thanks was received from a resident of the Carmi Baptist Children's Home for clothing and toys sent at Christmas.

Games were played and refreshments were served by the hostess.

LOW-CLORIE DINNER LINDS CLUB MEETING

Winners of a Ship Shape club contest held recently were honored Tuesday evening with a low-clorie dinner served by the club during the six-week contest.

The dinner was served at the Young People's Church in Madison. The members arrived at their meeting place, Schermerhorn civic center, and were escorted prior to going to the church.

During the evening, Mrs. Lorraine Williams was crowned "queen of the week" and Mrs. Barbara Krone was crowned "queen of the month." The evening's prize was awarded to Mrs. Rose Marie Kristapa.

Games were played and prizes were sent to Mrs. Yvonne Davis, the club president, and Mrs. Pearl Carter, Mrs. Thelma Black dismissed the group at 7 p.m.

Others in attendance were Mrs. Jackie Gattung, Mrs. Lorraine Williams, Betty Al-Hil, Mrs. Bamberger, Virginia Hodge, Pat Kinsley, Shirley Kinsley, Olive Vizer, Pauline Helman, Rebecca Jones, Ruth Dobson, Beverly Lindsay, Judy Webb and Ruth Patterson.

CANASTA CLUB MEETS AT GREENE RESIDENCE

Local Six Canasta club members met Tuesday evening in the home of Mrs. Sophie Greene. Games were played, and prizes awarded to Mrs. Sophie Zaretski, Mrs. Julia Volinski and Mrs. Teresa Rhoads.

The hostess served refreshments to the winners and Mrs. Helen Kuzick and Mrs. Lorraine Greenman.

Mrs. Greene had the table and room decorated in a St. Valentine's Day theme and a birthday cake adorned the table in observance of the birthday of Mrs. Zaretski.

The honored guest received a gift from her secret pal.

Mrs. Volinski will be hostess to the club members at her home in March.

ids and other southern states. They traveled over 4000 miles and toured such places of interest as the Ripley "Believe It or Not" museum in St. Augustine.

They also took a bus tour of the Kennedy Space Center, where they viewed Apollo 13 preparations. Thomas Edison's home and laboratory in Ft. Myers, Fla., were visited, as were the gardens at St. Petersburg.

The Stearns spent several days in Lake Charles, La., as guests of her brother and sister-in-law, Mr. and Mrs. Brown Furell and their children, Melinda and Stefanie.

BROWNIES AID PATIENTS

New officers were chosen by Brownie Troop 738 Tuesday at the Frohhardt school cafeteria. Those selected were Lisa Sisk, president, Gwendolyn Fuchs, secretary, and Christy Hayes, treasurer.

The new president led the pledge and promise, and roll call was taken by Gwendolyn Fuchs, each member answering with the name of her favorite animal. Christy Hayes collected Bambi cards and gave a treasury report.

Plans were made for Helena Langley and Joni Smith to represent the troop at the "thinking day," Feb. 22 at Naameoki school.

Mrs. Helen Bueger and Mrs. Alberta Langley, troop leaders, displayed several types of tray favors, and the girl spent the afternoon preparing animal valentine tray favors from gumdrops, pipe cleaners and construction paper. The favors will be delivered to the children's ward at St. Elizabeth Hospital.

The meeting closed with singing by those named and Kathy Barnes, Lori Bueger, Lydia Crews, Jodi Harrington, Kellie James, Elsie Jones, Charlene Bennington and Susan Robinson.

RETURN FROM MOLINE

Mr. and Mrs. Preston Ridings, Rural Route Two, returned home Sunday after spending the weekend visiting their son-in-law, daughter and grandchildren. Mr. and Mrs. Norman Uverager and children, Larry and Dale, of Moline, Ill.

Ridings, who is treasurer and grand lecturer of Masonic Lodge 877, also attended the Masonic state school held in Moline, Ill.

AMBASSADORS MEET AT CALVARY CHURCH

Robert Stanton, Fred Weymouth and Bob Williams, leaders of the Royal Ambassadors boys' group of Calvary Baptist Church, met with the members Monday night at the church. Tim Elmore offered opening prayer.

Bob Stanton led the devotion on "Being a Witness." Plans were completed for the group to attend the Granite City high school basketball game Saturday evening. Members will meet at 6:30 p.m. at the Station home, 2940 Washington avenue.

Group games were participated in by those mentioned and James and John Borth, and Jeff Herring, Terry Gibbs, David Thompson, Danny Stanton, John Clark, Michael Plank, Scott Carter and David Tripp.

MISSIONARY SOCIETY PLANS WEEK OF PRAYER

The Women's Missionary Society of Third Baptist Church met Tuesday morning at the church for a monthly business session. The president, Mrs. June Ramsey, presided and the meeting opened with all present singing, "Seal Us, O Holy Spirit." Mrs. Nance Turner read the prayer calendar.

Reports were given by the group chairmen, and plans for

a book study on Feb. 19 were discussed. The study will be on "The Northeast" and will begin at 7 p.m. at the church.

Announcement was made concerning a "week of prayer" which will be held in the first week of March. The group will meet in members' homes each day, except for Wednesday, when services will be held at the church. There will be no regular business meeting in March.

Young Violinists will Perform on Sunday

One hundred young violinists will participate in Southern Illinois University-Southwestern's third annual Young Violinists Festival on Sunday at 2:30 p.m. in the Communications Building theater. The program is open to the public without charge.

The students, ranging in age from three to thirteen, have all studied with teachers who use the Suzuki Talent Education approach to violin teaching. Most of them are enrolled in the string development program at SIU-SW, founded by Prof. John Kendall, chairman of string development. Others who will take part in the festival are students of teachers in the metropolitan St. Louis area who cooperate with the SIU program.

Lecture Series Planned At Pontoon Beach Church

A series of 18 lectures and talks on the Holy Spirit are being given at 7:30 each Monday evening at the Pontoon Beach Church of Christ.

Non-attendance will be taken and the public is welcome. Rev. Leroy Sutherland is pastor of the church.

Symphonic Band To Give Concert At SIU-SW

The Southern Illinois University-Southwestern Symphonic Band will present its annual winter concert Wednesday, Feb. 11.

Under the direction of C. Dale Ferstad, the band will play at 12:30 p.m. in Meridian Hall of the University Center and at 8:15 p.m. in the Communications Building theater. Both performances are open to the public without charge.

Included on the first half of the program will be the Carl F. F. Overture by Mozart, Hammersmith by G. S. 1 a v a Hotel, and Vorspiel und Liebeslied by Richard Wagner.

Following the intermission the band will play Aaron Copland's Lincoln Portrait with Prof. Dale Moore, head of SIU-SW voice faculty, as the narrator.

Speeding Charge Filed

Donald Santarocce, East St. Louis, was issued a speeding ticket at 8:20 p.m. Monday at East 79th street and Lee avenue.

Bubblemasters Club To Meet Sunday at 'Y'

A meeting of the Bubblemasters Club will be conducted on Sunday at 6:30 p.m. at the YMCA, according to an announcement by Barry Maycock, vice-president.

Maycock will be in charge in the absence of the president, Chris Geroff, who is scuba diving in Trinidad with a friend, Steve Steink.

Members are urged to attend to express their opinions on the 1970 diving schedule directed by Ed Duffin, chairman and a possible trip to the Bahamas being investigated by Howard Finley.

13 Area Youths to take Pre-Draft Examinations

A group of 13 Quad-City area youths is to report tomorrow to the county selective service office in Edwardsville for pre-induction physical examinations.

Later this month, on Feb. 20, a group of 22 Quad-City area youths is scheduled to report for armed forces induction. On the same date, 17 Edwardsville area youths are to be drafted. The Alton area draft quota is for 28 youths to be inducted tomorrow.

New Construction Methods Urged at Builders' Dinner

The number of new jobs created by new ideas in construction methods developed through projects like Operation Break Through would more than make up any manpower slack in the "housing belt," U. S. Senator Edward J. Gurney (Republican), said at the Southern Illinois Builders Association annual meeting at Augustin's restaurant, Belleville, Monday evening.

Sen. Gurney, who has been active in introducing legislation to make secondary boycotts unfair labor practices and is an advocate of right-to-work laws, addressed a large gathering of contractors, builders and material suppliers from the southern Illinois area.

"While the secondary boycott legislation has been held up by a strong pro-labor Congress," he said, "we were able to insert some of the provisions in the new federal housing laws."

Housing Shortage Cited

The senator urged the contractors to look for new methods to modernize the construction industry to help ease the critical housing shortage.

Gene H. Sternberg, president of G. H. Sternberg & Co., Granite City, was the toastmaster, introducing Sen. Gurney.

Sternberg presented the past president award to Michael P. Keelley Jr., Keelley Brothers Contracting Co., East St. Louis.

Leo Wolf Installed

New officers of the association installed at a board of directors meeting preceding the dinner were: president, John Bauer, Bauer Brothers Construction Co., Belleville; vice-president, Alois Lühr, Eugene Lühr and Co., Columbia; secretary-treasurer, Leo Wolf, L. Wolf Co., Granite City.

New directors of the association elected and installed were: W. Robert Lipps, Lipps Construction Co., Mt. Vernon, and Thomas H. Reese Jr., Reese Construction Co., East St. Louis.

The Southern Illinois Builders Association represents more than 500 construction firms and suppliers.

Easter Seal Campaign Feb. 23 to March 29

Joseph F. Jannesse, president of the Easter Seal Society of Illinois, has announced that the 1970 Easter Seal Campaign will open Feb. 23 and continue until Easter Sunday, March 29.

"Faith, Hope and Therapy" is the theme of the 50th anniversary of the Society. During the 50 years, the Illinois Society has grown until it now furnishes direct services to more than 17,000 persons throughout the state.

Jannesse said the needs of the handicapped and the costs of professional services are rising. "More money than ever before will be needed in 1970," he commented.

He added that, although a portion of the funds collected is used for research, most of the money is used locally to direct services such as: free loan of wheelchairs, walkers, crutches, etc.; occupational and speech therapy at Easter Seal Treatment Centers; and summer residential camping for handicapped children.

Jurisdictional Dispute Delays Tunnel Repairs

The East Side Levee and Sanitary district's troubled efforts to fill four old water tunnels that penetrate the main levee along the East St. Louis waterfront and present a flooding danger in event of a high river stage has struck a new snag in a labor jurisdictional fight involving the repair work, it was revealed in a regular meeting of the levee board yesterday.

The jurisdictional problem arose between laborers and carpenters over erection of bulkheads within the concrete tunnels in preparation for filling the tunnels with concrete, Lawrence Tolar, East St. Louis, said.

Tolar said the dispute has progressed beyond board members. Laborers had done the cleaning work in two of the lower tunnels and building of the bulkheads brought opposition from the carpenters union. Tolar said the dispute has moved beyond local issues and the matter has gone to international officials of the two unions.

The dispute arose in a fight against time since the tunnels can be repaired only when the stage of the Mississippi is below eight feet. Workers were driven out of the tunnels by a rising river about two weeks ago, but the river stage fell again. It is now about four feet, but on the rise, levee district foremen told the board.

The levee district is under a mandate from the U. S. Army Corps of Engineers to repair the tunnels which were built in 1912 by the East St. Louis & Interurban Water Co., but since have cracked and become deteriorated to the point that Army Engineers believe they present a definite danger if the river should rise to flood stage.

Cost of the work has been estimated at about \$120,000. The water company originally agreed to share cost up to a maximum of \$50,000, but recently protested that it had not been allowed to see the plans as had been agreed in the financing contract.

Prenatal Classes Planned at Hospital

The first series of the spring prenatal classes for 1970 at St. Elizabeth Hospital will begin Monday, March 2, at 7:30 p.m. The session is made up of five classes, one each Monday evening, according to Sister M. Jeanne, class leader.

Classes will meet in the Westman room of the hospital, located on the first floor near the Chapel.

Topics to be discussed in the session are: March 2—Before the Baby Comes; March 9—During Pregnancy; March 16—Labor and Delivery; March 23—Child Care and Baby Bath; March 30—Nutrition and birth of maternity department.

Prospective parents, both mother and father, are invited to attend. Further information may be obtained by calling 876-2020, station 310 between 9 a.m. and 4 p.m. weekdays.

Dr. Howard Theis to be Honored on April 12

Dr. E. Howard Theis of 139 Wakarusa avenue, Fond du Lac, Wis., a son of Dr. and Mrs. E. H. Theis of 2200 Bern avenue, will be installed as a Fellow of The American College of Obstetricians and Gynecologists at its annual meeting, April 12-18, in New York City.

The College, which was founded to promote the health and medical care of women, accepts physicians who specialize completely in obstetrics and gynecology, who have demonstrated clinical ability by successful completion of an examination, and who have been judged by their colleagues as competent and ethical physicians.

Man Fined \$60, Jailed

Horace Hardy, 44, of 255 Twelfth street, was arrested Monday at his home on a disorderly conduct charge. He was fined \$50 plus \$10 costs by Magistrate Matosian and was taken to the Madison county jail at Edwardsville in lieu of payment.

Parked Truck Struck

An auto driven by James L. Hook, 2468 Center street, making a right turn from 18th street onto State street, struck the left front of a parked light truck owned by Carl R. Wroten, 3236 Rodger avenue, on Monday.

Hanks Calls Bids On Nameoki Twp. Road Materials

Charles Hanks, highway commissioner of Nameoki township, announced yesterday a call for bids to furnish materials for road repair work during 1970 and said the bids will be opened at the Naemoki township office at 7 p.m. March 31.

The bids call for four categories of bituminous materials, totaling 176,000 gallons, and 4400 tons of sealcoat aggregate.

Bids will be received at the township office until the 7 p.m. deadline on March 31 which coincides with the annual public hearing on new township budgets.

Hanks pointed out that townships now are required by state law to call public bids on road materials for resurfacing.

At the same time the highway commissioner reviewed projects of his department and said that construction of Arlington road is now in its final stages and will be completed soon at a cost of \$79,336.

Financed With MFT
The project was financed with motor fuel tax funds held in escrow for several years and will be paid for at no cost to Nameoki township taxpayers, Hanks explained.

He said final documents have been filed under the 1969 disaster aid program to obtain reimbursement from the government for flood damages to township property last July.

Drainage is now the highway department's biggest problem, Hanks added. He pointed out the highway department has improved drainage on Sken street in East Madison by installing new drain pipe. New tile was installed last year along Lake drive to Long Lake and bids will be let this year to improve drainage in the Pine street area.

He also has plans to initiate use of a new type of dry wells in low areas along Warnock street, Hanks added.

May Acquire Sweeper

Acquisition of a street sweeper under a lease-purchase plan to sweep streets in township subdivisions also is planned, Hanks said, noting that the highway department has not been required to anticipate funds to accomplish any of its projects and now has \$10,000 in bank certificates that can be used to guarantee financing of projects proposed this year.

"With everything else going up, and having such severe winter damage to the roads, we are happy to be able to keep our tax levy from going up and give the taxpayers all the service possible, since we feel this is the most tangible evidence of dollars spent on the taxpayers' behalf," Hanks said.

Hanks urged township taxpayers to attend the public hearing on March 31 in the Nameoki town hall.

Tri-City Dental Society

Elects Dr. Chris Geroff

Names of new officers for the Tri-City Dental Society for 1970 were announced today. Dr. Chris Geroff is the new president, succeeding Dr. Frank Bellipanni.

Other officers are Dr. Scott Hendrickson, vice-president, and Dr. Arno Bartz, secretary.

HOME IMPROVEMENTS

SCREEN & WINDOW REPAIR

WHAT'S THAT? A sign painter erred in dropping an "N" while lettering this sign in the 3700 block of Nameoki road, changing the word "window" to "widow." The sign is correct on the reverse side.

Another Break--And More Sewer Problems

More sewer problems -- and another line break -- were reported to Granite City council members Monday night, who took action to authorize the mayor or to contract emergency repairs to the settling manhole in the easement at the rear of 34 Oaklawn drive.

City Engineer Kenneth Kleberger reported the line is virtually packed with sludge and is broken at one point near a manhole where the city's jet grayer sewer cleaning nozzle is caught.

The latest sewer break, he reported, is in the easement along Rodney avenue. Repairs to the Lincoln avenue manhole are under way with the dewatering crew called here from Michigan. They also will be put to work at the Oaklawn break.

'Secret' Sump Pump

Kleberger said that upon inspecting the Oaklawn line, it was discovered that at the point where it connects onto the Terrace lane trunk line, a sump pump has been installed. "It doesn't show on any sewer maps; it was just put in because the new Terrace lane sewer that was installed eight years ago was raised about 18 inches.

"The trouble is," he explained, "the sump pump handles only liquid flow and no solids. It will have to be replaced with a small lift station."

The engineer was authorized to get prices on lift stations.

Lift Station Problems

In a separate report on the St. Clair avenue lift station, the engineer recommended immediate replacement of the worn impellers in the pumps at the Nameoki road station which is running at only about two-thirds of its 500 gallon per minute capacity, resulting in frequent backflows.

He also pointed out the lift station at Warren and St. Clair avenues has a normal capacity of 250 gpm, and impeller wear from sand in the lines has cut its efficiency by a third. Creating an added problem is another lift station behind a Warren avenue one that has a

greater capacity of 350 gpm. It is located at 311 and Aubrey avenues.

Repairs to the worn lift station impellers were authorized, but the recommendation for larger pumps and larger receiving lines for the St. Clair avenue station, costing \$10-\$12,000 were held in abeyance.

Federal Funds Debated
Council members discussed at length the future possibilities of federal disaster fund allocations being received in time to still issuance of tax anticipation warrants.

Nonn said he and Robertson had been advised by William F. Hoelscher of the Manufacturers Association, that the city is to receive only 50 cents on a dollar for damages and was assured of only another \$80,000 allocation. The city received

\$80,000 several weeks ago.

Mayor Partney disputed the statement, pointing out the city had applied for \$1,300,000, which was cut to \$720,000 to pay the actual costs of sewer repairs caused by the June-July rains.

"We were told the city would get the money as the federal government made it available," the mayor added.

Robertson called for copies of all applications for federal funds and correspondence to be made available to the council members. Mayor Partney replied copies would be ready by Tuesday.

The mayor added that all bills for sewer repairs are being readied for a federal auditor and that supplemental applications for added funds are being filled as new sewer breaks occur.

Income Tax Aid Available Mondays

Quad-City area taxpayers may get assistance with either their federal or state tax problems from representatives of the Internal Revenue Service and Illinois state one day a week at the city hall in Granite City.

Two agents will be in an office on the third floor of the city hall each Monday through April 13, from 9 a.m. to noon and 1 p.m. to 4 p.m., and have the necessary forms to complete for filing.

Information about the Illinois state income tax may also be obtained by calling 1-800-972-1630 (toll free).

Four Vehicles Damaged In Mishap on Monday

Four vehicles were damaged as an auto driven by Robert Wilkerson, 2224 Madison avenue, preparing to turn left, was struck from behind by a mail van driven by Paul D. Gaughan, 2316 Hodges avenue, at 2:45 p.m. Monday in the 2500 block of Madison avenue.

When brakes were applied by the third motorist, Charles Szczepanski, 2432 Ivy lane, to avoid the van, the rear of his auto was struck from behind by a car driven by Edward Mullins, 3274 Westchester drive. Gaughan was ticketed for following too closely.

Youth Released on Bond

John Gresham, 17, of 1413 Rhodes street, charged with theft of more than \$150, was released Monday on \$10,000 recognizance bond pending a preliminary hearing set Feb. 9 by Magistrate Matossian. He was arrested early last Saturday in a chase by police as a suspect of the theft of some tires from a box car.

GIRL SCOUT LEADER WORKSHOPS PLANNED

Neighborhood Two Girl Scout leaders have completed plans for a Junior Girl Scout leader workshop from 9:30 a.m. to 2:30 p.m., Feb. 17 at St. John's United Church of Christ. Reservations are being accepted by Mrs. Jeri Scheib at 797-0249.

Also at St. John's Church, a training course for new leaders will be held from 8:30 a.m. to 2:30 p.m., March 17 and 18. Mrs. Arlene Brinkmeyer will be in charge and all prospective leaders are to receive training in charge before being assigned a troop.

The District Four annual international dinner is set for "10 p.m., March 31 at St. Joseph's Catholic Church, and a tour of council campsites will take place April 14.

Neighborhood Two events will include a mother-daughter banquet May 1 at St. Joseph's, a Junior Scout and Cadette campout May 23, and a visit to "Jesse James Territory" in Missouri June 6.

MCKEE-LUTTERELL WEDDING ANNOUNCED

Mr. and Mrs. John McKee of Iberia, Mo., former residents of Granite City, are announcing the marriage of their son, Terry McKee, to Miss Nadine Lutterell, a daughter of Mr. and Mrs. Robert Lutterell, also of Iberia. The young couple were married during the weekend in the bride's home, with Rev. Wade officiating. Attendees were Mrs. Donna Perry and Ronald McKee, sister and brother of the groom.

Terry McKee attended schools in Glen Carbon and Granite City and was a student at Prather junior high school prior to moving to Missouri with his family.

A reception was held at the V.F.W. hall for the newlyweds. Local relatives attending included brothers and sisters-in-law, Mr. and Mrs. Dean McKee and family and Mr. and Mrs. Ronald McKee and family. Also attending were three sisters, Mr. and Mrs. William Rowden and family, Mrs. Elene Fladenpatrick, and Mrs. Perry, all residents of Missouri.

WEBSTER PTA HONOR SCOUTS UNIT FOUNDERS

The February meeting of the Webster PTA executive board was held at the school Monday evening with the president, Mrs. Annette Scrum, in charge. The board members reviewed present bylaws.

A proposed field trip for sixth grade students was discussed and it was recommended that the unit purchase tickets for leaders of Boy Scout Troop 20 to attend the scout council appreciation dinner.

Mrs. Mae Lee, chairman of the purchasing committee, invited all former students of Miss Dorothy Hopkins to attend the Feb. 9 PTA luncheon. A picture showing in memory of Miss Hopkins. Following a PTA business session, Troop 20 will present a program in observance of Boy Scout Week, explaining programs for various age levels and the basic scouting program.

Also on the program will be a "founders' day" presentation under the direction of Mrs. Jo Ross. Refreshments will be served by fourth grade room mothers.

A nominating committee was

appointed, including Mrs. Alma Buente and Mrs. Doris Stotz. A third member will be selected from the membership enrollment.

FEBRUARY MEETING OF FRIENDSHIP CIRCLE

The Friendship class of Second Baptist Church held its February meeting in the home of Mrs. Marlene Pfeiffer, 2150 State street, Monday evening and the members discussed a new project for the month.

Mrs. Mildred Johnson offered opening prayer and Mrs. Sue Lunde gave the monthly devotion, "Love." During a business session, Mrs. Pfeiffer reported on the last meeting and was decided to provide a meal for a shut-in member.

The meeting adjourned for a fellowship hour and Mrs. Denie Burcham won the evening's prize. Mrs. Leslie led the class in prayer and the hostess served refreshments to those mentioned and Mrs. Ruth Ann Dike and daughter, Glenda.

The March meeting will be held in the home of Mrs. Judy West.

TROOP 47 ELECTION

Niedringhaus PTA's Browne Troop 47 met at the school Tuesday for an election of officers. Mrs. Jo Ann Dix was assisted by Mrs. Agnes Butler and Mrs. Barbara Schreiber. Mizzi Daniel was elected secretary-treasurer and Sandy Thompson was named the troop historian.

Plans were made for a Valentine party next Tuesday. Sandra Schreiber, Mizzi Daniel, Linda Bell and Karen Macios will be in charge. A disappearing tunnel concluded the meeting.

Others in attendance were Jacklyn Bogdan, Mary Ann Colbert, Elizabeth Dehn, Dava Gibson, Pamela Gray, Lori Jones, Janet Lewis and Karlene Powell.

GAY TWENTIES MEET

With Mrs. HARP, the Gay Twenties Social Club held its February meeting in the home of the president, Mrs. Dana A. Harper, 2517 Benton. The meeting was held on Tuesday evening. A discussion was held on summer activities.

The club welcomed a guest, Mrs. Annie Lee, and a financial report was given by Mrs. Kathy Scholbe. Suggestions were offered for a couples' party later this year.

Valentine games were played, with everyone receiving a prize. The hostess served a chip-and-dip, roll cake and beverages to those named and Mrs. Judy Rainwater, Mrs. Bauer, Mrs. Carol Lippe, Mrs. Jane Scaggs, Mrs. Joann Bauer, Mrs. Carol Lippe, Mrs. Dianne Hill and Mrs. Betty Pike.

Mrs. Scaggs 2159 Orville avenue, has invited the club to her home for the March 3 meeting.

HOME FROM VIETNAM

Mr. and Mrs. Robert Clarke left Tuesday for Danbury, Conn., to make their home. Mr. Clarke, who was a sergeant with the U. S. Air Force, had arrived in Granite City last week from McChord Air Base in Washington, where he received his discharge last month. He recently returned from a tour of duty in Vietnam.

Mrs. Clarke, the former Cheryl Santiago, attended local grade schools and is a graduate of Granite City high school. She has been residing with her parents, Mr. and Mrs. Louis Santiago, 2525 Edwards street, while her husband com-

pleted his assignment. She was employed in St. Louis. They met at Lackland Air Force Base in Texas where they were both stationed. They were married last January at the Trinity Methodist Church following Mrs. Clarke's discharge. Clarke is the son of Mr. and Mrs. James Clarke of Danbury.

A family dinner was held in their honor Sunday. Among those attending were Mr. and Mrs. Santiago and a sister and brother-in-law, Mr. and Mrs. Gerald Grider and daughter, Julie.

INTERNATIONAL THEME

Cadette Girl Scout Troop 234 held an international dinner Monday evening at Prather junior high school with the leader, Mrs. Margarette Barton. The event met one of the scout challenges.

Each patrol was in charge of its own costumes, food and entertainment. Sherrill Barton's patrol used an early American theme in table appointments, with emphasis on a centerpiece. In line with a modern American theme, the patrol dressed in authentic costumes.

Charles Bennett's patrol used the Gateway Arch and riverfront, made out of sugar cubes, in place mats and a centerpiece. In line with a modern American theme, the girls had made costumes in the present mode of dress and selected one of the current dances as their entertainment.

Marceina Robertson's patrol chose to represent Mexico, using a colorful centerpiece that included a doll in native costume, with tambourines and a straw sombrero. The Cadettes were dressed as "senoritas" and performed the Mexican hat dance.

A covered dish luncheon, representing each phase of the program, was served preceding the entertainment. Participating were the patrol leaders and Theresa Basdin Bonita Davis, Theresa Hancock, Carol Hoxey, Kathy Justice, Terry Jones, Patti Parizon, Mary Ann Stanfill, Anita Wilson and a guest, Timmy Barton.

ATTENDANCE CONTEST

An "interest chart" was one of the topics discussed by the Troop 20 members by the Marshall PTA, as it met with the leaders, Mrs. Skippy Kidman, 2916 Fairview, and Mrs. Dana Wentz, Tuesday evening in the Kidman home. The girls held a formal flag ceremony and each troop member gave a portion of "Disney on Parade." The leader read a story, "The Brave Little Tailor."

A Valentine party will be held next week, planned by one of the Junior Girl Scout leaders, Troop 709. The Brownies will meet this week to make the favors and a card exchange will be held.

Mrs. Kidman announced that a chart will be displayed in the meeting area, using gold stars and other details to signify special holidays. At the end of the scout year, a prize will be awarded for the best attendance record.

The remainder of the meeting was spent in a game. Mrs. Kidman made a U. S. map spread plaque. Attending were Debbie Handlon, Laurie Holloway, Carolyn Kidman, Janet Nunn, Christy Peach, Lisa Piquard, Kim Ragan, Robin Saltzinger and Sharon Werner.

PLAN VALENTINE PARTY

The Huf 'n' Stuf patrol led a flag ceremony and singing of "The Star-Spangled Banner" at a meeting of Junior Girl Scout Troop 704 of the Webster PTA Monday at the school. Mrs. Karen Lee of Troop 231 assisted the Leader, Mrs. Mae Lee.

Remaining in a horseshoe school, the troop discussed attending an ice show in March and a Valentine party next week. Donna Long's patrol will be in charge of refreshments and the Huf 'n' Stuf patrol will supervise the game session.

Mrs. Lee reminded the school of a skating party Feb. 12 with all the troops at Webster of the District Four "thinkin' day" program at 22 at Nameoki school from 2 to 3:30 p.m.

At the Feb. 16 meeting, Cadette Troop 231 scouts will attend to inform the advancing juniors of the Cadette program. The troop completed painting and were framed and Karen Lee showed them how to make charcoal pictures.

The meeting adjourned with a disappearing tunnel. Others present were Cheryl Brinkley, Mary Kay Chapple, Tammy Karen Tolan, Janice Van Gilder, Susan Welby, Pam Williams and Vickie Williams.

Mr. and Mrs. Mickey Sinton and sons, Loren and Bob, of Wood River visited Sunday in the home of her parents, Mr. and Mrs. Jerry Berger, 904 Bend road. Other visitors in the Berger home Sunday were her parents, Mr. and Mrs. Charles D. Thompson of Patterson, Ill., and Mrs. Loran Campbell of Granite City.

Pontoon Beach & Stallings

MRS. LUCILLE SOBCEK
4280 Highway 162
831-2711

HOME FROM GERMANY

Mrs. Shari Motes and son, Jeff, are home from Germany. Her husband, Butch Motes, will remain there for two more months before rejoining her. Mrs. Motes and her son are staying at the home of her parents, Mr. and Mrs. George Klamm.

TO UNDERGO SURGERY
Benton Lindsey, 4245 Highway 162, a patient at the Belleville Memorial Hospital, will undergo back surgery this weekend.

FIRST-AID STUDIED

Boy Scout Troop 23 met Tuesday to discuss campout plans and study first-aid. The meeting at the Long Lake firemen's recreation hall was conducted by Leonard Barron, assisted by Ray Forest.

Scouts present were Roger and Stanley Daigler, Larry Green, Pete Fournall, John Harper, Ed Kennedy, Carl Key, Randy Mills, Ed Opich, Dave Senior, Roger McDonald, Donald Ship and Richard Jones.

William Frankel was treated at the St. Elizabeth Hospital emergency room Monday evening for back and head injuries suffered in an auto collision.

Today's meeting of the Long Lake volunteer fire department auxiliary was canceled due to the illness of several members. The next meeting will be held in March.

Mrs. Esther Gouka, Des Moines, Ia., returned to her home this week after visiting her brother, Oran Leverich. She attended the funeral of a brother in Des Moines and a sister in Oklahoma who died three days apart.

HOME FROM HOSPITAL

Mrs. Pauline Ropic, 4538 Highway 162, returned home Sunday from St. Elizabeth Hospital. She had been a patient there since Jan. 7 due to a car accident.

Mr. and Mrs. Harold Schaefer, 4537 Highway 162, spent Sunday in O'Fallon, Mo., visiting her sister, Mrs. Virgil Schinck, who is ill.

HONORED ON BIRTHDAY

Mr. and Mrs. William Dagon, 3845 B street, entertained Sunday evening with a pizza party in honor of their son, Dennis Morris, on his 18th birthday.

A decorated birthday cake was the highlight of the celebration. Games were played, with refreshments served. The honoree received many gifts.

Attending were Mr. and Mrs. Bill Watkins and daughter, Pam, Mr. and Mrs. Fred Weymouth, Mr. and Mrs. David Corbett and daughters, Christy and Michelle, Sue Reese, Blaine Miskell, Myron Miller, Rhonda Miller, Brenda Bivens, Gary Patterson, John Bivens, Ida Grady, Colleen Dagon, Billy Grady, Jeff Morris, Stephen Grady and Kathy Morris.

BRIDAL SHOWER HONORS

MARY ELLEN ZIKOVICH

Miss Mary Ellen Zikovich, daughter of Mr. and Mrs. Mike Zikovich, 15 Devon Hill lane, was guest of honor at a pre-wedding shower Sunday afternoon. The event, hosted by Mrs. Mary Zikovich, mother of the bride-to-be, and Mrs. Caroline Sander, and Mrs. Rose Zikovich, was held at the American Legion hall.

Miss Zikovich, a graduate of the DelPaul Hospital School of Nursing, is employed at St. Elizabeth Hospital.

Her fiancé, Donald James Gass, is presently serving with the U. S. Navy stationed at Key West, Fla. He will be discharged in June. His parents are Mr. and Mrs. William Gass, 3024 Sunbury avenue.

The wedding will be an event of March 14 and will take place at St. Margaret Mary Catholic Church.

The gift table was decorated with a large orange umbrella. Assisting the honoree in

opening her gifts were her sister, Mrs. Karen Mueller, who will serve as matron of honor, and Miss Christina Sander and Miss Mary Ann Fechte.

Prizes were awarded and a buffet luncheon was served to the 65 guests present. The tables held candles in multi-colored nylon net holders and favors of candy nut cups.

BROWNIE SKATING PARTY

Mrs. Delores Smith and Mrs. Inge Medric, leaders of Brownie Troop 330, met with the troop Monday afternoon in the Parkview school multipurpose room. Dawn Ford, president, led the picnic, promise and Brownie "B's." Sherry Medric called roll and Nancy Smith collected Brownie gold.

The leaders reminded the girls that their annual registration fee is due by March 1 and announced that Theresa Heiney, a troop member, has moved to Edwardsville and will no longer be in the troop.

Plans were made for a scout roller skating party Feb. 25 at the Stardust rink, and for the "thinking day" Feb. 22. Michael Medric, son of Mrs. Medric, drew two Brownie paper dolls to determine which girls would participate in the "thinking day" activities. Helen Goeller and Susan Kriachnik were chosen.

Members completed their

shelton craft projects, spray painting decorative jewelry boxes which were taken home after the meeting.

The Brownie song closed the meeting. Others present were Sandra Mariette Christine Coleman, Susan Ranger, Laura Sikora and Donna Rowlett.

DUPLICATE BRIDGE

Members of the Granite City Duplicate Bridge club met Sunday night at the Elks club for their regular competition. Prizes were awarded to Mrs. Helen Meyer, director; first, Al Lanahan, second; and Mrs. Elsie Lanahan, third.

CHI RHO PAPER DRIVE

The Chi Rho youth group of Central Christian Church met there Sunday evening with their regular competition. Prizes were awarded to Mrs. Fran Craddock and Jim Turner.

A film dealing with hunger in Biafra was shown and group games were played under the direction of Mrs. Craddock.

Prayer was led by Jeff Hahn. A paper drive to be conducted Feb. 14 was discussed, and plans were made for all members to participate. The youth group also will make posters advertising the "Week of Compassion."

Refreshments were served by Mike Wilmore and Jeff Hahn.

Other members attending were Charles Billington, Pat Brokaw, Janice Edwards, Beverly Edwards, Vickie Leis, Sharon Marquis, Janet Moss, Fred Rudolph, Mike Turner, Bruce Gordon, Lori Montgomery, Mike Evans, Mark Cain, George Lyons, Coleen Gray and Mark Gages.

BROWNIE TROOP 118

HONORS JANET NELSON
Brownie Troop 118 met Monday at the home of the leader, Mrs. Irene Nelson, 222 Edison avenue. Assisting Mrs. Nelson was her daughter, Carol. Margaret Riney and Vickie Pieper were guests of the troop and also assisted the leader.

The birthday of Janet Nelson was observed with birthday cake and ice cream served to those mentioned and Tammy Riney and Carmela Johannpeter, Janet and her twin brother, Jack, were nine years old.

Plans were made to meet at the St. Joseph's Church hall at 8 p.m. Saturday to practice for the "thinking day."

The troop will sing the Brownie smile song in Spanish, and will be dressed in Mexican ponchos which will be made out of crepe paper. "Thinking Day" will be held at Nameoki school.

Refreshments were served by Mike Wilmore and Jeff Hahn.

Brownies are working on were discussed, and the meeting closed with "Good Night" song.

URGES FOOD FOR BIRDS
Mrs. Mary Bailey, 236 Lynch avenue, an avid feeder of wild birds, noting a robin in her yard Tuesday morning, is urging area residents to provide food for such early arrivals as well as for those birds which remain here through the winter months. Suitable feed includes cracked corn, scratch feed and suet, she reports.

'KIDNAP PARTY' BY METHODIST YOUTH

The Senior High Methodist Youth Fellowship met at Nameoki United Methodist Church Sunday evening for a special event, a "kidnap" party.

Regular members went to the homes of the following to "kidnap" them: Kenny, Kevin, Rick Kent, Richard and Bob Stages and Nicki Underwood.

They returned to the church and enjoyed a supper of hot dogs, chips and soda, prepared by the sponsors, Mrs. Roger Tracy. Other sponsors present were Rev. William Foster and Mr. and Mrs. James Rhea.

Entertainment for the evening was furnished by a guitar

Two Local Marines

Train in Vietnam

Marine Sgt. Leeroy E. Welborn, 2804 Dale avenue, and Marine Pfc Dennis B. Latham, a son of Mr. and Mrs. Yolande B. Latham, 73 Lee Wright Homes, Venice, have completed two weeks training at the Combined Action Program School, Third Marine Amphibious Force in Vietnam.

During the training they received instruction in the Vietnamese language, customs and religions with specialized training in small unit tactics for use against the enemy.

Members present included Debbie Mohler, Marilyn Bess, Debbie Bunch and Alan Nancey.

FELLOWSHIP TO GIVE JUVENILE HOME PARTY

Members of the Christian Youth Fellowship met Sunday evening at Central Christian Church. Fifteen members were present with the sponsor, Jim Ash.

Judy Dubler led opening prayer and plans were made for a special meeting to make posters for the Feb. 14 paper drive and to prepare letters concerning the drive.

Plans were discussed for the "mid-winter meet" which the group will host.

Members will meet at the church at 5:30 p.m. Feb. 21 and go to the St. Louis juvenile detention home, where the CYF will give a party for the residents.

Clothing the CYF recently collected has been delivered to residents of the Pruitt-Igoe housing project. Lola Brokaw served refreshments after the meeting.

3 Granite Cityans

Given Recognition

Three Granite City residents were given honors at their place of employment the Army Aviation Systems Command in St. Louis, it was announced Tuesday.

Vasken Haronian of 3220 Davis avenue received a Department of Army certificate for sustained superior performance of duty at AVSCOM from Director Col Edward J. Chrysler.

Miss Ruth Stegmeyer, 2316 State street, employed in technical data, cataloging and standardization at AVSCOM was presented with a Department of the Army certificate for 10 years of federal service by Director Wayne Smith.

Remodeling Project

Planned at Rose Bowl

The Rose Bowl restaurant, 3150 Nameoki road, will be closed from Feb. 9 to March 1 for an extensive remodeling program, according to Charles Hester, owner.

Plans are to include new carpeting, a new bar, new custom-made furniture, kitchen improvements and rearrangement of one of the entrance doors, now located on the north side of building.

The placement of the piano and two rest rooms will be changed to occupy the foyer and give a larger area and increased seating in the lounge.

Auto Battery Stolen
Barbara Talley, 2661 Delmar, reported at 6:10 p.m. Tuesday that a 12-volt battery was stolen from her auto while it was parked in her garage from last Thursday to Sunday.

Terry Francis Undergoing Tests at Hospital
Terry W. Francis, local attorney with offices at 2740 Madison avenue, is a patient at St. Elizabeth Hospital, undergoing a series of tests.

He was admitted last week after becoming ill while in court in Edwardsville, and brought to the hospital by ambulance. Francis was in the intensive care unit for 24 hours.

SOCIETY

ENGAGED, Miss Lois Ann Kueker, fiancée of David G. Lynch. Their betrothal has just been announced.

MRS. ELAINE SMITH
Candidate

B&PW Selects Candidate

The Granite City Business and Professional Women's Club has just announced their selection of Mrs. Elaine Ann Prusak Smith as their representative for Young Career Woman candidate.

Mrs. Smith will be presented at a district meeting March 8 at The Garden's restaurant in Litchfield as the local club's candidate. She is married to Michael Smith and they reside at 2809 Village Lane. Apt. F. Her parents are Mr. and Mrs. Max Prusak, 2232 Waterman avenue. A graduate of the Granite City high school, she later attended the University of Missouri where she received a B.S. degree in Biology.

A year after graduation from Missouri U. she served as hostess for one of the leading airlines, flying to South America, Central America, the Caribbean, Europe and the Near East. She became a member of the Clipped Wings club after her marriage in 1969.

She is presently holding an assistant manager position with the SIU-SW book store, and is enrolled in the graduate school of business while working toward a master degree in business administration.

Mrs. Ruby Parker is Young Career Woman chairman of the local B&PW club in which Mrs. Smith is an active member.

ALL THE FISH YOU CAN EAT
FRIDAY, \$1.19 AT GRANTS

Elkettes Meet.

Select Queen

The Elkettes held a party Tuesday evening and crowned Mrs. Ruth Bischof "Sweetheart Queen" for 1970. Mrs. Helen Crain was runnerup.

There was a special gift for Mrs. Bischof and prizes in the games went to Mrs. Elvira Tharber, Mrs. Wanda Russell, Mrs. Theresa Harding, Mrs. Alice Elledge, Mrs. Clara Harbison, Mrs. Gladys Gandorola, Mrs. Mary Kenny, Mrs. Kay Taylor, Mrs. Hulda Davis and Mrs. Barbara Blackburn. Mrs. Davis received the evening's prize.

Mrs. Mary Batson, president, conducted the meeting and the opening and closing prayers were by Mrs. Catherine Michel, chaplain.

During the business hour, Mrs. Blackburn was named chairman of the nominating committee to select the 1970 officers. Her report will be given at the next meeting and the officers will be installed in April.

Fifty-four were present at Tuesday's meeting, including two new members, Mrs. Elva Ortiz and Mrs. Helen Christich.

Cooking Demo For Rotary Anns

Mrs. Maxine Anderson, Mrs. Dorothy Anderson and Mrs. Mignon Abenroth were hostesses to the Rotary Anns Tuesday at the Rose Bowl.

Luncheon was served at noon and during the business session plans were made for the annual party for the Rotarians March 17 at the Rose Bowl.

The program for the afternoon, an electronic cooking demonstration, was given by Mrs. Jo Meyer, home economist for the Illinois Power Co. The remainder of the time was spent at games, and prizes were awarded to Mrs. Mary Wilkins, Mrs. Jean Van Metre and Mrs. Carma Froelich.

Others present were Mrs. Betty Mathis, Mrs. Lois Adams, Mrs. Clara Huber, Mrs. Helen Broadway, Mrs. Ada Thomas, Mrs. Helen Stover, Mrs. Lorraine Decatur, Mrs. Margaret Coe, Mrs. Joan Tadlock, Mrs. Dorothy Maer, Mrs. Norma Yelton, Mrs. Evelyn Ackerman and Mrs. Jo Ervay.

Beauty Style Show Planned

A Beauty and Fashion Show will be presented by the Elite 33 Hairdressers and Cosmetologists on Feb. 14 in conjunction with the 26th annual National Beauty Salon Week observance planned for Feb. 8-14. It was announced this week by Earl Tucker, president of the local group.

Mrs. Betty Smith, NBSW chairman for the Affiliate, will serve as chairman for the show to feature the latest clothing fashions and hair styles on Sunday, Feb. 15, at 2 p.m. at the Polish Hall in Madison. Proceeds from the show will be donated to the mentally retarded children of Granite City.

BRIDE-TO-BE, Miss Charlotte Heiman, whose parents are announcing her betrothal to Virgil Keeton Jr.

SOCIABLES CLUB HOLDS MEETING

Mrs. Evalene Dew of Highway 67 entertained her club, the Sociables, Tuesday evening.

The group played cards and the prize went to Mrs. Mary Foster. Others present were Mrs. Pat Weathers, Mrs. Shirley Clemens, Mrs. Joyce Cleary and Mrs. Robbie Ballard. The next meeting will be with Mrs. Clemens in Mitchell March 3.

Keeton-Heiman Engagement

Another bride-to-be whose engagement is announced is Miss Charlotte Heiman, a daughter of Mr. and Mrs. Sherin Heiman, 412 Oakland avenue, who will marry Virgil Keeton Jr., a son of Mr. and Mrs. Virgil Keeton Sr., 211 Illinois avenue. Wedding plans have not been made by the young people.

Granite City PRESS-RECORD
Thurs., Feb. 5, 1970 Page 19

Wedding in California

Mr. and Mrs. Jimmie Brewer, 2710 Madison avenue, are announcing the marriage of their daughter, Miss Jennifer Lynn Brewer, to Sgt. Donald H. Smith, a son of Mr. and Mrs. Thomas Smith, 2837 Warren avenue.

The ceremony took place Saturday at Trinity Pentecostal Church in San Bernardino, Calif. The bridegroom is stationed at nearby Norton Air Force Base.

Attendants were Mr. and Mrs. Steve Norris.

The bride wore a pink street-length dress and veil and carried a colonial bouquet of pink and white carnations.

Mrs. Brewer attended the wedding and returned home Monday evening. While in California she visited for a brief time with Mr. and Mrs. Ray Webb of Hot Springs, former residents of Madison.

GIDEON CAMP AND AUXILIARY MEET

The Granite City Gideon Camp and Auxiliary were entertained Monday evening in the home of Mr. and Mrs. Arthur Beide, 2408 Pontoon road.

Devotions were given by Hugh Foster and business sessions were presided over by Mr. and Mrs. Edward Stone. The Auxiliary reported on the presentation of nurses Testaments to the graduating class at the East St. Louis School of Nursing in January.

Present were Mr. and Mrs. Hugh Foster, Mr. and Mrs. Stone, Mr. and Mrs. Charles Reimers, Charles Finley, Charles Stavelly, George Schmacher, and a guest, Mrs. Laura Webster.

RECENT BRIDE, the former Marilyn Wagner, who was married Saturday in Clayton, Mo.

McDougall and Wagner Wedding

Mr. and Mrs. Benjamin H. McDougall, who were married Saturday in Clayton, Mo., are honeymooning in Ochos Rios, Jamaica.

The evening ceremony was performed by Rev. Paul Surbey, pastor of St. John United Church of Christ, at Samuel United Church of Christ in Clayton.

The bride is a daughter of Mr. and Mrs. Edwin Wagner, Rural Route One, Granite City. Mr. McDougall's parents are Mr. and Mrs. Benjamin H. McDougall of Des Peres, Mo.

The bride was given in marriage by her father. She wore an ecru Victorian gown styled with long leg o'mutton sleeves, a high collar and Empire waistline. The bodice was covered with lace and seed pearls and the A-line skirt and cathedral train were edged with lace and pearls. A tiered bubble veil of illusion was held in place with a cap studded with pearls and she carried white orchids and ivy arranged in a shower of ribbons.

The attendants were Miss Marianne Wagner of St. Louis, the bride's sister, who served as maid of honor, with Miss Susan McDougall, a sister of the bridegroom, and Mrs. James Flavin of St. Louis, bridesmaids. All wore full length Empire gowns of daffodil yellow crepe and Juliet caps of ivy touched with tangerine carnations and yellow spider mums. They carried bouquets of matching carnations and mums.

Mr. McDougall had as best man Judd Presley of Webster Groves, Mo. Groomsmen were Jack Kobernus of Memphis, Tenn., and Warren Gieselman of Springfield, Ill. The wedding reception was held at Cheshire Inn in St.

BETROTHED, Miss Clara Culppepper, whose engagement to Ronnie L. Wyatt is announced.

Wedding Date Set for May

Another of the spring brides-to-be is Miss Clara Culppepper, whose engagement to Ronnie L. Wyatt is announced. The wedding will take place in May.

Miss Culppepper, a daughter of Mr. and Mrs. James T. Culppepper, 2136 Bryn avenue. She is a 1967 graduate of the Granite City high school, and is employed in St. Louis. Her fiancé, a son of Mr. and Mrs. L. E. Wyatt of Rural Route Two, graduated from the Venice high school. He is employed by Southwestern Bell Telephone Co.

Miss Romanic Is Engaged

Mr. and Mrs. Anthony W. Romanic, 1823 Edwardsville road, Madison, are announcing the engagement of their daughter, Miss Yvonne Romanic, to Pvt. David A. Mulnik, a son of Mr. and Mrs. Albert F. Mulnik, 1316 Fifth street, Madison.

Miss Romanic is a graduate of St. Teresa Academy in East St. Louis and is attending SIU-SW. She is a member of Phi Beta Lambda social fraternity and is employed by the Granite City Steel Co. as a flexwriter typist.

Her fiancé graduated from Madison schools and received a degree in business administration from SIU-SW. He is a member of Phi Beta Lambda social fraternity and the marketing club. He is now undergoing basic training at Fort Leonard Wood. Wedding plans have not been made.

MISS YVONNE ROMANIC, a bride-to-be. She will be married to Pvt. Donald A. Mulnik.

SOCIETY

JUNE BRIDE-TO-BE. Miss Cara Lynn Howard and her fiancé, Richard L. Ahlvers, whose engagement has just been announced.

June Wedding Is Planned

Mr. and Mrs. William Howard Jr., 3202 Wilshire drive, are announcing the engagement and coming marriage of their daughter, Miss Cara Lynn Howard, to Richard L. Ahlvers, a senior son of Mr. and Mrs. Herman Harris, Route Four, Edwardsville.

The wedding will take place June 30 at First Assembly of God Church. The prospective bridegroom is attending SIU-SW. Miss Howard is a senior son of Mr. and Mrs. Herman Harris, Route Four, Edwardsville.

Mothers Club Plans Supper

The DeMolay Mothers Club met Tuesday evening at the Masonic Temple.

Mrs. Betty Ebrecht, president, conducted the meeting and final plans were made for a chili supper at the Temple Tuesday, Feb. 17.

Mrs. Betty Young and Mrs. Betty McClintock were hostesses, and hot chocolate and doughnuts were served to 65 boys and five advisers.

Other club members present were Mesdames Hilda Few, Bernice Fitzpatrick, Jo Ann Harrison, Jean Hileman, Lois Hallenbeck, Ursula Lackey, Margaret Lowe, Jo Meyer, Iris Watson, Marie Naeve, Ruth Norton, Shirley Schilling and Betty Forney.

Past Matrons Plan Party

Mrs. Vivian Blankenship of 2412 Roney drive, was hostess to the Past Matrons Club of Granite Chapter 650, OES, on Monday. Eleven members attended.

Mrs. Sadie Jones offered the opening prayer. Plans were completed for the annual past matron and past patron party to be held at the Masonic Temple on April 4 at 6 p.m.

Refreshments were served followed by games, with the prizes going to Mrs. Dorothy Fitzpatrick, the hostess, and Mrs. Cora Hettich.

Mrs. Kathryn Roman will be hostess at the next meeting on March 2.

READY MIX CONCRETE
CALL LYBARGER

MRS. ROBERT WAGNER, the former Kathy Hebda, who was married recently at St. Margaret Mary Catholic Church. The bride is a daughter of Mr. and Mrs. Walter A. Hebda, 2349 O'Hare avenue.

St. Peter Guilds Hold Banquet

The women and girls of St. Peter United Church of Christ enjoyed an evening of food, fun and fellowship Monday evening at a banquet in Fellowship Hall of the church under the sponsorship of the Afternoon and Evening Guilds. Mrs. Leonard Anderson and Mrs. Leland Markgraf were co-chairmen of the event.

Mrs. Arthur Buente, Afternoon Guild president, served as mistress of ceremonies. The invocation was given by Mrs. Robert J. Baumann.

A catered dinner was served to 140 women and girls at tables attractively appointed in keeping with the party theme, "What Are Little Girls Made Of?"

A program in song and poetry was presented by the girls of St. Peter Church under the direction of Mrs. William Hoelscher with Miss Rosemary Kabeurek as accompanist. Featured were little misses from kindergarten through teenage to adulthood.

Closing remarks by Mrs. Clarence Boettger, president of the Evening Guild, and the benediction by Mrs. Markgraf brought the evening to a close.

Coronation Set For Feb. 14

Mrs. Vernie VonNida, leader, conducted the Monday night meeting of the Whittle by club at the East Side Levee and Sanitary district building here. Mrs. Gladys Hutson called roll, each member entering with her weight gain or loss for the past week.

A new member, Mrs. Gladys Branscomb, was welcomed into the club. Two guests, Mrs. Joyce Smith and Mrs. Pat Green, were introduced.

Reports were given by Mrs. Hutson and Mrs. Virginia Cotter, and members were reminded that reservations for the annual coronation must be made by the next meeting, Feb. 9.

Sharing honors as "queens of the week" were Mrs. Judy Modrisc and Mrs. Gloria Bennett. Mrs. Rosalie Brannbauer crowned the new queens, and the club sang "Hail to the queen" in their honor. They also shared a basket of fruit, to which each member had contributed.

The members worked on preparing decorations and entertainment for the coronation, Feb. 14.

Hostesses for the evening, Mrs. Jo Gipson and Mrs. Hutson, served coffee to those named and Mesdames Opal Compton, Betty Young, Dolores Townsend, Marilyn Southerland, Mary Spillers, Shirley Solowick, Norma Ruhl, Thelma Pryor, Pat Polo, Jolene Myers, Elsie Mathen, Beulah Krause, Janice Hildreth, Julie Greer, Iris Gauen, Mary Free, Stella Fischer, Datha Ely, Ruth Coad, Doris Brookshire, Sharon Bridick, Carmen Bridick, Mildred Boyer, Billie Bagi and Mary Jo Akeman.

Workshop for Special Teacher Substitutes

Illinois Dept. of Public Instruction Ray Page has announced that another series of workshops for substitute teaching in special education classrooms will be sponsored by the Instructional Materials Center of Handicapped Children and Youth, Division of Special Education Services.

Previous workshops have proved popular throughout the state. Co-sponsor of the project is the Special Education Department of SIU-SW, with all sessions held at the University Center.

The series will consist of four workshops to be held from 8 to 9 a.m. on Feb. 24, March 2, 9, and 16. The opening session will be held in the Cahokia Room and the remainder in the Illinois Room at SIU-SW.

Purpose of the institute is to increase substitute teachers' knowledge of special skills and the needs of handicapped children. The first series of workshops was held last year in conjunction with Illinois State University, Normal, for substitute teachers in the central part of the state.

For further information regarding the series, interested persons should contact Jason Barr, In-Service Coordinator, Instructional Materials Center for Handicapped Children and Youth, 1020 South Spring Street, Springfield 62704.

SHELLS-A-POPPIN' at the scene of a farmhouse blaze along Route 162 Tuesday keeps Long Lake firefighters standing at a distance. The owner, Earl Lewis, had over 9000 rounds of 9mm shells in the house.

Reports Obscene Calls

Law & Price, 706 Kirkpatrick (home), reported at 5:15 p.m. Tuesday that personnel at a St. Louis finance company has been making obscene and threatening calls to his home. He was advised to contact the state's attorney's office.

Parked Auto Struck

Thomas Bauer, 2127 Edwardsville road, reported at 8:45 a.m. Wednesday that a hit-and-run driver struck the left rear of his auto while it was parked during the night at 12th and Meridian streets.

Muffler Charges Filed

Improper muffler charges were filed between 7 and 8 p.m. Tuesday against David L. Bryson, 2254 Washington avenue, and Ralph A. Bonvicino, 2725 Dale avenue, at Nameoki road and Victory drive.

GC DeMolays Plan Annual Chili Supper for Feb. 17

During the Tuesday night meeting of the James Stuart Chapter Order of DeMolay work schedules were set for the annual Chili Supper to be held from 5 to 8 p.m. Tuesday, Feb. 17 at the Masonic Temple, 20th street and Cleveland Blvd. DeMolays have 50-cent tickets for sale for the chapter's main fund raising event.

Master Councilor Dwayne Pritchett presided at the meeting and announced local members will assist officers of the George C. Guier Chapter Wood River on Monday night, Feb. 9, in conferring the initiatory degree on their candidates. Keith Mercer reported on progress of the "Road Rally" to be held by the chapter on March 21. Bill Watson's report was on the basketball team which has a game scheduled with Ascalon Chapter, Collinsville at Webster school gym at 7 p.m. on Monday.

Other announcements included a review of the Jurisdictional meeting in Columbia on Jan. 25, standings of the bowling team submitted by Wally Todd and Ron Jones in the newspaper committee.

The International Supreme Council has ruled that all DeMolay chapters in the worldwide order will go on a Lifetime Membership plan as of Jan. 1, 1970. Advisor Gilbert Watson explained how the plan will be worked out in the local chapter's program.

The first class will be the initiatory degree during International DeMolay week.

The next meeting will follow the chili supper on Feb. 17. Refreshments were served by the Mothers Club at the close of the meeting.

Illinois Coal Use Order is Invalid

Attorney General William J. Scott today ruled unconstitutional the Illinois law of 1967 designed to force state and municipal institutions to purchase only coal mined in Illinois.

The statute requires state and municipal institutions to purchase Illinois coal if the cost is not more than 10% greater than the cost of coal mined in any other state or states, including the cost of transportation.

Scott said he hoped the effect of his ruling will be to make available better coal with low sulfur content, since it will force Illinois coal producers into a competitive market.

"By ruling this statute unconstitutional, it will help the various local governments in their battle for clean air without any harm to the state's economy," he declared.

Bids Sought to Erect 2nd GCHS Gym Building

Sealed bids are being sought until 7:30 p.m. March 9 for the design and construction of a gymnasium building on the Granite City high school campus.

Contractors are being invited to attend the public bid opening on the project, which will utilize steel construction.

It will provide gymnasium areas for indoor physical education, but will not have seating for the public. Athletic events attended by the public are held in the existing memorial gymnasium building.

Bidding documents are available at the office of Architects Henry Gabriel and Sylvester Duggeroff. Procedural details are given in a legal notice elsewhere in this issue.

Deadline Tomorrow on Handicapped Pupil Art

An art jury of three will pick 100 works of art for the 1970 "Art by Handicapped Children" exhibit. The first art contest for handicapped children in Illinois, it is sponsored jointly by the Instructional Materials Center for Handicapped Children in the office of Ray Page, Illinois superintendent of public instruction, and Northern Illinois University, DeKalb.

All entries are to be postmarked no later than Friday, Feb. 6, and sent to Miss Caroline Altrutz, associate professor of art education, Northern Illinois University, DeKalb 60115. Art work is to be sent unmounted. The Instructional Materials Center will properly mount all of the entries prior to the judging.

Two-dimensional artwork, such as painting, drawing, collage, weaving, stitching, printmaking and photography, will be eligible for consideration. All special education districts, mental health centers and private agencies throughout Illinois are being urged to participate.

The exhibit will be on display in the student lounge of the University Center at Northern Illinois March 1-14. It will then be placed on display at the Instructional Materials Center for Handicapped Children, 1020 South Spring Street, Springfield. Page commented, "The idea of the art exhibit has already received tremendous response and we have decided to make this an annual event."

Citizens Respond to Pollution Questions

A substantial return of question blanks in which citizens may express their views on air pollution problems was reported by the office of State Rep. Horace L. Calvo (D-Granite City), who is using the information to determine trends in the area as possible guidelines for future legislation.

Rep. Calvo is downstate chairman of a legislative Air Pollution Subcommittee which has been conducting hearings throughout the state. The question box which was published by the Press-Record and other newspapers last week is reprinted with this article.

Calvo said that about 75% of the forms received by his office this week listed odors and smoke from the Granite City Steel Co. blast furnace plant as the worst cause of pollution, in answer to the first question on the form.

A few of the senders listed cars, trucks and buses as critical causes of pollution, but these were far in the minority, Calvo's office said.

\$1000 Traffic Bond Paid

William Polite, St. Louis, was arrested at noon Tuesday by Granite City police on charges of speeding and fictitious license plates and was ordered held for the detective division. He was released, however, after posting \$1000 bond set by Magistrate Matteo.

Polite is being urged to participate in the exhibit.

The exhibit will be on display in the student lounge of the University Center at Northern Illinois March 1-14. It will then be placed on display at the Instructional Materials Center for Handicapped Children, 1020 South Spring Street, Springfield. Page commented, "The idea of the art exhibit has already received tremendous response and we have decided to make this an annual event."

Home Notes

By Mrs. Catherine R. Mauck
Madison County Home Advisor,
Home Economics Extension
University of Illinois

TREAT THE FAMILY TO NUTRITIOUS PORK

The food value of pork gives you good reason to include this meat in the diet.

An average serving of cooked pork has more protein, less fat and fewer calories than it did ten years ago.

While it is true that hogs used to be a major source of edible fats, today's meat-type hog has more lean cuts than it did formerly. And the quality and tenderness have been improved since most hogs are marketed at a young age.

In addition to providing high-quality proteins, pork contains essential vitamins and minerals. It is one of the chief sources of thiamine and contains sub-

stantial amounts of riboflavin, niacin and iron—all necessary to continued good health.

And if you're weight-conscious, you might be interested to know that a three-ounce serving of lean pork contains about 220 calories.

To be sure of high-quality fresh pork, select meat that has a delicate uniform rose or grayish-pink color and a smooth, velvety texture. The outside fat will be firm and white while the bones will be a reddish color and porous in the center.

And don't overlook pork roasts. They are best when cooked to an internal temperature of 170 degrees F. instead of 185 degrees as formerly recommended. The practice of overcooking pork stems in part from the fear that underdone pork might be infected with trichina organisms. Since such organisms are destroyed at a temperature of less than 140 degrees, there is no need to cook

pork far beyond that temperature, just to be certain.

Changing the habit of overcooking pork roasts won't be easy. But once you taste pork properly cooked and juicy tender, you will quit cooking it until it is dried out and stringy.

On Freezing Meat

Don't keep meat in your freezer for extended periods of time because it loses flavor and quality the longer it is stored.

The amount of fat on the meat and the size of the pieces also influence keeping quality. For instance, ground meat and thin cuts will not keep as long as roasts and steaks.

When packaging meats for freezing, be sure to use materials that will allow little if any air to get into the sealed package and to reduce in every way possible the amount of air left in the package when packing and sealing. Oxygen can cause fat foods to become rancid and also cause "freezer burn."

Shopping Center Mishap

Autos driven by James C. Batson, 2641 Center street, and John N. Gagich, 1501 Garfield avenue, collided at 3:30 p.m. on the lot at the Belmore Village shopping center.

Wrong Way Ticket

William M. Russell, 2400 Edison avenue, was issued a ticket for driving the wrong way on a one-way street at 8 p.m. Tuesday on Iowa street at Nameoki road.

Here are some storage-life recommendations for home-frozen meats at 0°F:

Beef roasts, steaks and chicken—6 to 12 months.
Lamb and veal—6 to 9 months.
Pork—3 to 6 months.
Sausage and ground meat—1 to 3 months.

Spring Enrollment Up At Illinois State U.

Enrollment at Illinois State University, Normal, as of the start of spring semester classes, totaled a record of 14,043.

The new arrival weighed five pounds, eight ounces and has been named Amber Jean. Mrs. Crews will be remembered as Miss Judy Bachelder.

There were 951 new students who entered for the spring term, along with 530 who were readmitted. A total of 1115 signed up for late afternoon, evening and Saturday classes.

Men total 6611 and women 7432. Students have until noon Saturday to register late by paying a \$10 extra fee. Late registration

Daughter Arrives for Mr. and Mrs. Crews

Mr. and Mrs. George Crews, 2444 Edison avenue, are announcing the birth of their first child, a daughter, Monday at St. Elizabeth Hospital.

The new arrival weighed five pounds, eight ounces and has been named Amber Jean. Mrs. Crews will be remembered as Miss Judy Bachelder.

Backs Into Taxicab

An auto driven by Robert D. Abel, 4117 Breckenridge lane, which was stopped in traffic, backed into a taxicab driven by Leroy W. Ishum, 849 Niedringhaus avenue, which also was stopped at 4:15 p.m. Tuesday at 21st street and Washington avenue.

Incidents will be taken in Horton field house Saturday and in room 110 of Moulton hall all of next week.

15-Cent Salary Increase Granted Students at SIU

The new minimum wage rate of \$1.45 per hour for student workers at SIU-Carbondale campus, an increase from \$1.30, means that student minimum salaries have risen 8½% over the past 10 years, while the cost of room, board and fees has risen only 53%.

New rates became effective Sunday, it was announced by Frank C. Adams, director of SIU student work and financial assistance. The new top hourly rate for undergraduate workers is \$2.15 and for graduate students it is \$3.

Adams pointed out that the average hourly rate actually paid is considerably above the minimum, because student

Granite City PRESS-RECORD
Thurs., Feb. 5, 1970 Page 23

workers receive automatic increases at intervals based on the cumulative total hours worked, plus merit raises at six-month intervals.

In addition, they receive raises as they are promoted from one job classification to another and premium pay for night work if it is necessary.

The student payroll this year at SIU's Carbondale campus will total about \$4 million, which is nearly four times the annual outlay a decade ago. Student workers will receive another 15 cent per hour raise in the minimum on Feb. 1 next year in accordance with provisions of the Fair Labor Standards Act.

In the game of life opportunity often works wonders — and ability gets the credit.

ORDER OF THE ARROW training certificate being presented to Don Durbin of Granite City (right), junior vice-chief of the Cahokia lodge. Others, left to right, are—Henry J. Hellrich, Granite City, Cahokia lodge advisor, G. Rollin Henn, president of the Cahokia Mound Boy Scout Council, making the presentation, and Mick Strange, organizer and training director of the conference.

Order of Arrow Training Session Held at SIU-SW

Twenty-one officers, committee chairmen and adult advisors to the Cahokia lodge, Order of the Arrow, attended the first Order of Arrow officers training course ever held on Saturday at the SIU-SW campus.

Conducting the day-long training course was Mick Strange of Madison, a past lodge chief, area chief and vigil honor member. Assisting with the training was Richard Momphard, formerly of Granite City and a past chief of the Cahokia lodge; Phil Dixon, professional advisor to the lodge; Henry Hellrich of Granite City, lodge volunteer advisor; G. Rollin Henn, president of the Cahokia Mound Council, and William Monical, scout executive and supreme chief of the fire.

Representing 350 Order of the Arrow members, officers, committee chairmen and advisors, those who attended learned the skills and duties of their jobs.

The opening address was given by Lyle Ward of Edwardsville, who is on the staff of SIU-SW and is a former chief of the Blackhawk lodge in Alton area and a past area chief. Ward is an associate advisor of Post Ten-Four in Madison.

Ward emphasized the importance of the Order of the Arrow to the scouting program.

Other topics covered included committee organization and responsibilities, year round program, promotion of camping, a review of the orders handbook, finances, unit elections, lodge rules and by-laws, chapter organization, finances and relationships to the overall scouting program.

The Order of the Arrow is a national honor camping group within the Boy Scouts of America. Members are selected by election in their own units and not by other members of the order. The Cahokia lodge has a membership of 350 from Madison and Bond counties.

Those attending from this

area were Don Durbin, vice-chief; Don Menke, lodge treasurer; Larry Todoroff, advisor elections committee; Frank Kuzma, advisor camping committee; Ray L. Gaudette sr., advisor finance committee; Dave Shanks, camp promotion chairman; Kevin Menke, service committee chairman; Terry Rumpf, ceremonies chairman; Tom Beck, elections committee chairman; Bruce Evans, committee chairman of Venice; Hellrich, lodge volunteer advisor; G. Rollin Henn, council president; Mike Dixon, finance committee chairman of Venice; and Mick Strange, training director of Madison.

Labor Course being Offered at SIU-SW

An eight-week course in labor problems began this week at Southern Illinois University-Southwestern's Labor Institute.

The classes began Wednesday at 7 p.m., and are two hours long. About 30 local union representatives have indicated they will take the course. And area union members interested in taking the course may enroll either by calling 692-2440 or by attending the class session.

The course, entitled "The Spectrum of Labor Affairs," will include lectures on the history of the labor movement, political affairs and labor and the union member and his union.

Instructors are Norman Johnson, director of the institute, Patrick Riddelberger, Leo Cohen and James Robinson.

Certificates will be awarded to those successfully completing the eight-week course.

Master's in Speech Approved for SIU-SW

A master's degree program in speech at Southern Illinois University-Southwestern was approved Tuesday by the Illinois Board of Higher Education.

The new degree program will lead to the master of arts or master of science in speech. The essential difference between the two degrees will be proficiency in a foreign language which is required for the master of arts.

Specializations will be offered in speech, theater or speech pathology and audiology.

Hollis White, chairman of the speech and theater faculty, said the new degree program will provide candidates with a high level of understanding of the total field of speech, a superior competence in a specialized area and knowledge of techniques and methods of research.

The new degree increases the total number of masters programs at the campus to 26.

Anti-Pollution Club Being Formed at GCHS

A new organization designed to fight air and water pollution is being formed at Granite City high school.

It has yet to adopt a formal name, but until it does it will be known as the Anti-Pollution Organization.

Approval was to be proposed at a meeting last night of the Astronomy, Astrophysics & Meteorology Club for affiliation of the new organization as a branch of the AAMC.

Tentative plans of the Anti-Pollution Organization call for posters placed throughout GCHS and eventually throughout Granite City, a white armband day with the organization's emblem imprinted on the bands, a speaker on air pollution from McDonnell-Douglas Aircraft Corp. and a litter pickup campaign.

The organization plans to expand its interests into other areas of environmental improvement. Mrs. Donna Moon of the English department is sponsor for the group.

Beauty, Beast Fete To Feature Gimmicks

Members of the Alpha Phi Omega, National Service Fraternity, Epsilon Pi chapter of SIU-SW, will sponsor the annual "Beauty and the Beast" contest Feb. 9-21. Proceeds will go to the Christopher Arter fund to help pay expenses for the child born with multiple birth defects.

Gimmicks planned for the contest include guessing jelly beans in a jar, kissing booths and back rubs as well as a soccerable marathon and a white elephant auction, topped with a dance on Feb. 21, which is the child's first birthday.

Finishing School Broadmindedness is just high-mindedness — which has been flattened by experience.

106 Quad-City Students On SIU-SW Dean's List

A group of 106 Quad-City students who expect to complete their secondary school requirements and to enter college in 1971 can register now to participate in the 1970-71 National Merit Scholarship program, Principal Lawrence C. McCauley announced today.

The first step for all students who wish to enter the nationwide Merit Scholarship competition is to take the National Merit Scholarship qualifying test. It will be given at 9 a.m. Feb. 14 in the school library.

Taking the test also is the first step for students who wish to participate in other scholarship programs administered by the National Merit Scholarship Corp.

These programs include the special scholarships administered by the NMSC for business and industrial firms.

College-bound juniors may register before or after school in the guidance office, room 105. The test fee of \$2.25 is payable at the time of registration.

When scores are reported, each participating student will receive a handbook to help him understand his scores and compare his test performance with that of other high school students across the country.

The handbook, which contains information about making college choices and financing a college education, is furnished as a part of reporting the student's test results. Other interpretive materials are sent to the school.

The highest-scoring students in each state will be named merit program semifinalists and will be eligible for merit scholarship consideration.

In addition to national merit scholarships financed by NMSC, more than 400 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations and individuals offer scholarships through the merit program.

About 21,800 students have won merit scholarships in the 14 programs to date. About 315 new winners of merit scholarships entered college last fall.

NEW EAGLE SCOUTS Kenneth Filcoff (left) and Kevin Menke (right) with their scoutmaster, Robert Burns of First United Presbyterian Church Troop Eight.

Kevin Menke, Ken Filcoff Earn Eagle Scout Rank

Eagle Scout rank, the highest in the Boy Scout program, is held by two new recipients, Kenneth Filcoff and Kevin Menke, as a result of a Jan. 29 court of honor at the First United Presbyterian Church Fellowship hall in Granite City.

But the story of their achievements in scouting began long ago.

Filcoff, 14, a Prather junior high student, is the son of Mr. and Mrs. Boris Filcoff, 1307 Iowa street, Madison. Menke, 13, a Central junior high school student, is the son of Mr. and Mrs. Edwin Menke, 2149 Cleveland blvd.

Their attainment is the second of its kind in each family. Richard Filcoff and Donald Menke, older brothers of Kenneth and Kevin, earned Eagle rank previously.

Kenneth Filcoff became a cub scout in McKinley PTA Pack 87, reaching lion rank before the pack disbanded. In October 1966, he became a Boy Scout in Troop Eight, sponsored by the Presbyterian Church, gaining tenderfoot that year, second-class in 1967 and both first-class and star rank in 1968 before being named a life scout in March 1969.

At its Friday evening concert, the 60-piece orchestra, under the direction of Robert Schreier, will play Bernstein's Overture to Candide, Faure's Pelléas and Melisande and Sibelius' Finlandia. The concert is open to the public, with admission free.

Sacred Heart CYO Sets Valentine's Day Dance

Sacred Heart CYO will hold a Valentine's Day dance from 8 to 11 p.m. Feb. 13 in the school basement, 2606 Washington avenue.

"Blue" will be the featured combo. Admission will be \$1.50 per person (\$1.25 for persons with CYO membership cards) and \$2.50 per couple.

Refreshments will be served. The dance is open to all youths in the Quad-City area.

Purple Martin to Play At 'Y' Teen Town Dance

The "Purple Martin" will be the featured band at the YMCA Teen Town dance from 8:30 to 11:30 p.m. Friday. Regular admission prices will be charged.

To be featured on the following Friday will be the "New Black Zone." Both dances are scheduled for a Friday to avoid conflicts with local high school basketball games.

with the Central school band. John DeCourcy, institutional representative, served as master-of-ceremonies, with the parents of the new Eagles participating in the conferring of awards along with Scoutmaster Robert Burns. Troop Chairman David Norton reviewed the scouts' qualifications.

Presenting the challenge, Phil Dixon, Camp Summer director, noted the increasing role of conservation in national goals. The oath was administered by Wilbur Irwin, Uniwah district executive.

Parents Recognized
Council President G. Rollin Henn spoke and prayers were offered by Rev. Frank Christ of the Madison church and Rev. Dr. Robert Baumann of St. Peter United Church of Christ. Refreshments were served.

The ceremonies included exchanges of pins by the two scouts and their mothers.

The fathers were praised by Burns, who commented, "With your strong example, friendly guidance and continuous encouragement, it is unlikely that your sons would have developed the necessary character and resources to overcome the many obstacles that lie in the Eagle path."

Merit Scholarship Test Planned at Granite High

Granite City high school students who expect to complete their secondary school requirements and to enter college in 1971 can register now to participate in the 1970-71 National Merit Scholarship program, Principal Lawrence C. McCauley announced today.

The first step for all students who wish to enter the nationwide Merit Scholarship competition is to take the National Merit Scholarship qualifying test. It will be given at 9 a.m. Feb. 14 in the school library.

Taking the test also is the first step for students who wish to participate in other scholarship programs administered by the National Merit Scholarship Corp.

These programs include the special scholarships administered by the NMSC for business and industrial firms.

College-bound juniors may register before or after school in the guidance office, room 105. The test fee of \$2.25 is payable at the time of registration.

When scores are reported, each participating student will receive a handbook to help him understand his scores and compare his test performance with that of other high school students across the country.

The handbook, which contains information about making college choices and financing a college education, is furnished as a part of reporting the student's test results. Other interpretive materials are sent to the school.

The highest-scoring students in each state will be named merit program semifinalists and will be eligible for merit scholarship consideration.

In addition to national merit scholarships financed by NMSC, more than 400 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations and individuals offer scholarships through the merit program.

About 21,800 students have won merit scholarships in the 14 programs to date. About 315 new winners of merit scholarships entered college last fall.

William McCunney is Academy Alternate

William Mark McCunney, a Granite City high school senior, has received letters from Rep. Melvin Price stating that he is an alternate candidate for the U. S. Air Force Academy in Colorado and the U. S. Army Academy at West Point, and from Sen. Ralph T. Smith that he has been named as his eighth alternate candidate for the U. S. Air Force Academy.

The son of Mr. and Mrs. William McCunney of 1625 Delmar street, he has also been named as a candidate for the Merchant Marine Academy at Long Point, N. Y.

McCunney, who will graduate in June, has taken a college preparatory course at the local high school and is particularly interested in aeronautical technology for advanced education.

Two Quad-City Air Clean-Up Plans Approved

Air clean-up programs proposed by two Quad-City industries were among five such industrial plans approved by the Illinois State Air Pollution Control Board in their annual meeting at Chicago.

At the same time the board proposed new air quality standards involving 14 separate pollutants which would be effective statewide and would function as guidelines specifying the maximum amount of each pollutant allowable in the atmosphere.

Plans of Quad-City industries to reduce pollutant emissions approved by the board included a proposal by National Lead Co. of Granite City to install new dust collector bags and other equipment on a lead smelter by March this year, and a plan by Union Division of Miles Laboratories to install improved dust collection equipment on a grain dryer at its elevated at Pontoon Beach by Aug. 1, 1972.

Given Extra Time
A board spokesman said the firm was given this much time because a new, improved dust control process is expected to be developed soon and the extra time would allow its process to be applied by the company. The 14 air pollutant standards proposed by the board includes such pollutants as lead, asbes-

Registration Continues At Venice-Lincoln Tech.

Registrations still are being accepted from Quad-City residents for a series of educational classes at Venice-Lincoln Technical Center—the first program to be conducted during evening hours. Orientation sessions were held this week at the school, with the night-time series expected to start on a regular schedule Tuesday.

Expansion of daytime sessions at the adult vocational training school to include an evening program recently was authorized by the Venice board of education to permit persons holding day jobs or having family commitments at home to take advantage of special training programs offered. Duane Rankin, Venice-Lincoln administrator said today.

No tuition will be charged for Quad-Cityans who enroll in the evening courses. Rankin reminded prospective students, with course material, including text books, provided free. Courses offered at Venice-Lincoln are subsidized, for the most part,

with funds contributed by federal and state agencies.

Four Areas of Study

Four main areas of study will be presented starting next week, the administrator said. Basic education and G.E.D. preparatory courses, which include mathematics, citizenship and American democracy and language arts, will be taught on Tuesday and Thursday with students divided into two groups. Two separate sessions will be held each evening from 6:30 to 8 and from 8 to 9:30 p.m., with those attending able to attend classes in two different subjects on the same night. Rankin explained.

Also on Tuesdays during the same time period—6:30 to 9:30 p.m.—a "Home Maintenance and Repair" course will be offered, with tentative plans calling for instruction in a wide area of tools and materials. Instructor Jim Russell said several hand tools, as well as electric portable tools, will be demonstrated so that students

may learn to operate them correctly and with safety. Building products and materials, their cost and installation, also will be stressed.

Have Repairs Course

Other aspects of the course will include the correct method of making minor repairs in and around the home. Russell noted, pointing out that such instruction affords the student practical experience in using tools and materials, so that he may gain confidence in using various equipment for his own improvement and enjoyment.

Mrs. Patricia Painter will instruct a "Family Living" course from 6:30 to 9:30 p.m. each Thursday. Classes will be held in the V.L.T.C. home economics department.

Tentative plans in the new "Family Living" class call for instruction in child care; understanding individual difference in children; managing time, energy and skills in rearing a family; home management; and becoming wise consumers—living

GC Plan Commission Changes Meeting Date

The City Plan Commission will meet at 1:15 p.m. next Tuesday in the conference room on the third floor of the city hall, it was announced today by the chairman, Boyd Presley.

Originally, the board was scheduled for regular meeting next Thursday, but because of the Lincoln's Birthday holiday on Feb. 12, the date was changed to Feb. 11. That date coincided with a meeting of the Zoning Appeals Board, necessitating the change to Tuesday, Feb. 10, Presley said.

Among the matters to be considered are a commercial zoning for a tract along Maryville road south of Pontoon road, requested by the First Granite City National Bank for development as a possible shopping center, and for a trailer park on a tract south of East Pontoon road near the railroad tracks.

Annexation for New School Ok'd

An ordinance annexing an 11-acre tract to the city, requested by the Granite City school district, was approved Monday night by city council members.

The tract is along Old Alton road north of West Pontoon road, and plans call for an elementary school to be erected there, as authorized by voters in December 1968.

School Board Atty. Maurice Dailey, who was in the council audience, explained the tract, known as the Schaefer site, is not in any fire protection district. Also plans will call for a tap-out with the Granite City sewer system.

The annexation ordinance was adopted unanimously.

Short-Change Artist Makes Profit of \$10

A short-change artist made a \$10 profit at the Bellemore Village Tri-City Grocery store, it was reported at 2:20 p.m. Monday.

Mrs. Betty Ridge, a clerk, said two Negro men came to the check-out register and purchased a package of cigarettes and a package of cigars.

One then asked to exchange a \$5 bill and five \$1 bills for a \$10 bill. When she gave him the \$10 bill, he asked for a \$20 bill in exchange for the \$10, \$5 and five \$1 bills. When she gave him the \$20, he left in a black Cadillac auto.

One was described as being tall and thin with bushy hair and wearing a brown jacket, and the other was described as being short and husky.

tos, fluorides, hydrogen, cyanide, arsenic, beryllium and carbon monoxide, none of which have yet been established for air quality standards in Missouri. The other pollutants include carbon, nitrogen dioxide, sulfuric acid mist, and hydrogen sulphide.

To Schedule Hearings
Public hearings will be scheduled before the standards are

adopted to allow industry and other concerned parties to comment and suggest changes. Among the 14 pollutants involved, many result from vehicular exhausts.

The emission regulations established for the pollutants, usually expressed in micrograms per cubic meter of air or in other technical terms, will be made available by the board to interested persons.

The board also proposed standards for sulphur dioxide standards, but only as a formality since these standards were approved previously for statewide use in the federal St. Louis Air Quality Control Region, which includes all of Madison county.

LIFE OF DOCTOR SAVED

BY CLINIC OFFICIALS

To the Editor:

I wish to express deep gratitude to my friends of the Quad-Cities Mental Health Clinic who saved my life on the evening of Jan. 2.

I had suffered a heart attack and fell to the floor. Promptly and efficiently, friends began artificial respiration. I was rushed by ambulance to the St. Elizabeth Hospital emergency room, where waiting doctors took over my care.

My recovery has been hardly less than a miracle. I feel that if I had not had this help, I would have perished.

I hope that the problems of the mental health clinic and of the 708 Board may be resolved in the forthcoming months.

DR. E. H. THEIS
Granite City

RIGHTS LIMITED WHEN OTHERS ARE AFFECTED

To the Editor:

May I register a reply to the Jan. 29 letter, "Right of Individual to Drink or Smoke," attacking the Women's Christian Temperance Union?

The beasts of the jungle are only concerned with their own individual comforts, and they are apparently very jealous of their rights.

But they could not survive in an environment that required intelligence and cooperation, and where it is important for every individual to carry a certain amount of responsibility.

There are, indeed, very few things that any of us can do that do not in some way affect our environment. It is truly a wise person who can always be able to tell us where our rights end and our obligations begin.

It is easy for me to say that what I do to my body is my right and my business, but if I so abuse it that I eventually become a burden to others, I will in a sense be a thief.

I know of no group quite so vicious and poisonous as the smokers and drinkers of alcohol and tobacco, nor do I know of any group so utterly contemptuous of the rights of others.

Every automobile owner who carries insurance has to pay a higher rate because of drinking drivers, drivers who are hell-bent on getting their rights.

We cannot get on our streets and highways without an element at risk of getting killed by a drinking driver.

There is no valid evidence whatever to show that alcoholic drinks or tobacco are

No 'Buck Passing,' No Unequal Enforcement

With Mayor Appointing Department Heads

As Mayor Partney pointed out two weeks

under his stewardship of the city of Granite City

there has been no "fixing" of arrest tickets and

employees have not had to return part of their

salaries in the form of "lug" fees to bolster his

campaign funds.

Unfortunately, such statements are not

made, and perhaps cannot accurately be made,

by officials of some of the cities and some of

the county offices maintaining close ties with

the dominant Madison county political organization.

The rationalization such political leaders

use: "Well, at least we're not relying on gamblers

and other law violators to raise our campaign

campaign funds, which was the practice in past

years."

Elimination of law violators from positions

of influence over government policies is, of

course, a big step forward. Madison county has

made a lot of progress in recent decades, measured

by this yardstick.

But such an explanation by officials fails

to deal with the essential immorality of forcing

an appointee to kick back part of his pay. In

this era of inflation, jobholders need every

dollar they earn. If it is claimed that a lug is

extra money beyond what the employee normally

would receive, this is either untruthful or a

device for cheating taxpayers.

The Granite City mayor's non-fix, non-

standance with the circuit clerk over factors

related to the provision of courtroom facilities

in the city hall. But we think it would be well

to keep it in mind when considering the plan for

city council appointment of the fire and police

chiefs, placed on first reading by an 11-4 vote

Monday night.

Mayor Partney has not "lugged" em-

ployees, has not winked at major law

violations, and has not fostered a "wide

open town" to finance his struggle against the

commitment and patronage-workers organiza-

tion.

But we think it would be well to keep it in

mind when considering the plan for city council

appointment of the fire and police chiefs, placed

on first reading by an 11-4 vote Monday night.

Mayor Partney has not "lugged" employees,

has not winked at major law violations, and has

not fostered a "wide open town" to finance his

struggle against the commitment and patronage-

workers organization.

But we think it would be well to keep it in

mind when considering the plan for city council

appointment of the fire and police chiefs, placed

on first reading by an 11-4 vote Monday night.

tion despite its power and its generally antagonistic attitude toward him.

The mayor has proved himself in such matters.

Without implying any disrespect toward various aldermen, it is a fact that they have not proven themselves in this respect because they have not had appointive power.

It is also true that the council majority is in some respects aligned with the network of neighborhood power groups, the "organization," which to this day either encourages—or accepts without complaint—practices which serve perpetuation of the party more than the needs of the public (two objectives which sometimes are not identical).

Should the police chief and fire chief have "16 bosses," instead of the present situation in which one man, the mayor, can clearly be held responsible by citizens? Would it be possible for a "back to be passed" freely among aldermen for enforcement or administrative policies they did not want to publicly admit?

Would an "anything goes attitude" evolve? Would a "double standard" develop regarding adherence to the law by party friends and by outsiders? Would there be lugging?

These are intriguing questions. The answers may prove to be equally interesting.

New Standards Provide for Illinois Judges To Devote Full Attention to Court System

The Jan. 30 Illinois Supreme Court order on ethical conduct by judges of the state is a welcome development which undoubtedly will increase public confidence in the judicial system. It is described as the most comprehensive and stringent in any court system in the U. S.

Continuing the currently required statements of economic interests, the new standards on compensation for any services other than judicial duties and prohibit acceptance of duties or obligations interfering with performance of court duties. Judges are to furnish unsworn and verified written lists of firms in which they or members of their family have financial interests; business activity and outside income are to end by Jan. 1, 1971.

There is no provision for public disclosure of substantial financial interests and obligations. But if the high court follows through to assure enforcement by its court commission, the new code will result in Illinois' well-paid jurists devoting themselves totally to a cause well worth their full attention—fair and effective administration of the important judicial branch of our government.

Painstaking Police Work in Venice

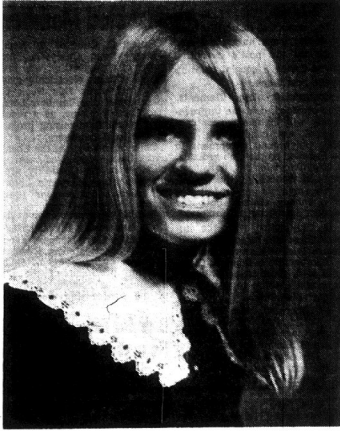

Security against crime can be bolstered not only by alleviation of poverty and elimination of "open jail door" court policies but by intelligent and industrious law enforcement staffs. For this reason, the Venice police department deserves the applause it has received for such thorough investigative procedure as those followed in a murder case successfully resolved in the circuit court last week.

We are sure the public deeply appreciates the local officers' tireless efforts over a period of more than five months.

St. John Guild Hears Sister

The Evening Guild of St. John United Church of Christ met Monday evening at the church.

The meeting opened with prayer by Rev. Paul Surbey, pastor, who introduced the speaker of the evening, Sister Mary Thomas, administrator at St. Elizabeth Hospital, who discussed "The New Community Health Service."

Devotions were given by the fellowship committee Mrs. Dorothy Johannmeier, Mrs. Jane Kennerly and Mrs. Georgia Surbey. The topic was "Happiness Is Love."

Announcement was made of the World Day of Prayer Service to be held March 6, and refreshments were served from tables decorated in keeping with St. Valentine's Day.

Twenty-four were present, including three guests, Sister Mary Thomas, Sister Mary George and Mrs. Judy Hernan.

OUT-OF-TOWN GUESTS HERE FOR WEDDING

Among the out-of-town guests here for the wedding of Miss Kathy Hebda and Airman 1/C Robert Wagner over the weekend were Mr. and Mrs. Ted Kwasniewski, Mr. and Mrs. Stanley Siorak, Mr. and Mrs. Chester Pencak, Miss Carol Pencak, William Smith and Mr. and Mrs. Bruno Olaszewski, all of Chicago; Mr. and Mrs. Robert Bobowski and daughters, Suzanne and Mary, and sons, Paul and Jim, and Miss Betty Jones of Villa Park, Ill.

Michael Hebda, Mr. and Mrs. Joseph Hebda and daughter, Nancy, and son, Larry, of Addison, Ill.; Mr. and Mrs. Lenore Hebda, Des Plaines, Ill.; Mr. and Mrs. Rudolph Wagner and daughters, Pam and Ronnie Kay, of Topeka, Kans.; and Jim Wagner of Donaldson, Ind.

The wedding of Miss Hebda and Mr. Wagner took place at St. Margaret Mary Catholic Church.

Past Presidents Parley Meets

The Past Presidents Parley of American Legion Auxiliary Unit 113 met Monday evening at the Legion Home with Mrs. Vi Kassabum in charge.

Mrs. Minnie Grob was appointed secretary and other business was transacted. The remainder of the evening was spent at games, and prizes were won by Mrs. Hazel Odum, Mrs. Edna Whaling, Mrs. Alma Klaus, Mrs. Grob, Mrs. Dorothy McCain, Mrs. Ella McKittrick, Mrs. Ada Dishong, Mrs. Emma Steiner, Mrs. Mildred Rees, and Mrs. Georgia Kramer. The special award went to Mrs. Kassabum.

Mrs. Evelyn McCollegan was hostess for the evening, and Valentine appointments were used. The next meeting will be held March 2.

Youth Group Tours Home

The Youth Fellowship Group of St. John United Church of Christ accompanied their pastor, Rev. Paul Surbey, on a visit to the Hitz Memorial Home in Alhambra this week where they led a devotional service and entertained the patients with songs.

Thirty young people were in the party and taking part in the service were Marilee Krauskopf, Bill Ogden, Carol Carver and Dean Surbey. They were accompanied by Donald Davis, Miss Sherry Adamson and Rev. Surbey.

After the trip the young people returned to the church for a spaghetti supper.

Reunion Held In England

Pfc Michael Ellis and wife, Kathy, who are presently stationed with the 27th battery in Friedburg, Germany, recently spent a week in England with Pfc Ellis' brother, Sgt. Larry E. Ellis, and daughters, Coral and Kym, stationed at the Royal Air Force Base in Fakenham.

The men are sons of Mr. and Mrs. Lawrence E. Ellis of Troy, formerly of Granite City. It has been 16 months since the brothers and their families have seen each other.

Sgt. Ellis entered the Air Force in July 1966 and has been in England since August 1968. He is with the 7519 Combat Support Squadron. Prior to entering military service he was employed by the Dow Chemical Co. in Madison. He is married to the former Coral Hanke, a daughter of Mrs. Edward McQueen of Caseyville, and Roy Hanke of Troy. The sergeant and his family are expected home in June after completing four years in the Air Force.

Both families agree that their tours of duty in foreign countries have been different and exciting experiences, but they will be glad to return to the United States.

Registration Centers to Operate on Weekend

Special registration centers are planned in various parts of the Quad-City area tomorrow and Saturday by the office of County Clerk Eulalia Hotz to accept new voter registrations and to correct registration records for voters who have changed their name or address.

The registration centers are being held throughout Madison County by the county clerk's office as a convenience to those who need to register and who otherwise would be required to go to the clerk's office at Eldonville to do so.

Monday, Feb. 16 is the deadline for registration of voters who wish to cast ballots in the March 17 primary election.

Registration centers that will be operated this weekend are:

NAACP Board Meeting Set Feb. 22 in Venice

The executive board of the Illinois conference of NAACP branches will meet at 1 p.m. Feb. 22 at the Lee Park recreation center, 321 Broadway, Venice.

Committee chairman and branches with problems will meet at 11 a.m.

The meeting will be conducted by John Gayton of Peoria, state president. Other officers to participate include Warren Cleveland of Edwardsville, state secretary; Hugh H. Field, Venice, state financial chairman; and Charles Hampton, president of the Madison branch. The public is invited to attend.

William Coy Wilson Death was Jan. 27th

William Coy Wilson, 70, of Elmo, Mo., a former Granite City, who died at midnight Jan. 27, passed of Jan. 28, at Memorial Hospital in Jefferson City, Mo., was born in Danville, Ill., and lived here for 45 years moving in Missouri in 1903.

Mr. Wilson was the husband of Mrs. Nellie (Longfellow) Wilson.

Pvt. Crites in Vietnam

Pvt. Roger D. Crites, 20, son of Mr. and Mrs. Elmon B. Crites, 527 East Chain of Rocks road, has been assigned to the 1st Field Force, Vietnam Provincial Artillery Group as a cook.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

ILLINOIS NATIONAL GUARDSMEN resting after returning from a recon patrol during winter training at Camp Ripley, Minn. They are left to right—2nd Lt. Harlan E. Jones of Granite City, SSG Larry D. Jackson and Supply Sgt. Charles B. Atchison.

GC Township Borrows \$5000

Issuance of a \$5000 tax anticipation warrant to borrow money at 2% interest for the Illinois Municipal Retirement Fund of Granite City township was authorized Monday night by the Granite City council, acting as the town board of auditors.

In a letter to the council, Supervisor Nelson Ruggener explained the funds were virtually depleted and were insufficient to pay the township's share because of pay increases and added workers.

Voting against the tax warrant resolution were Aldermen Rudledge, Jarrett and Baker; and Mayor Partney.

In other township business, the council approved disbursements totaling \$203, including \$4500 from the town fund and \$3500 from the general assistance fund.

Dr. Theis to Return Home in Few Days

Dr. E. H. Theis, 2300 Bern avenue, a patient at St. Elizabeth Hospital since Jan. 2 when he was stricken with a severe heart attack, is improving and expects to be home within several days.

He will recuperate at home for about a month before returning to his office.

7 U.S. Senators at Dinner Tonight for Smith Campaign

More than 20 leaders of the Republican Party are expected to travel from Washington to attend a downstate dinner in Belleville tonight honoring U.S. Senator Ralph Tyler Smith (R., Illinois).

The group includes GOP members of the Senate, most of the Illinois Congressional delegation, and other officials of the Nixon Administration. The \$100-a-plate dinner is a fund-raising event to help support Sen. Smith's campaign.

More than 1000 dignitaries and Republican party members are expected to attend, John M. Anderson, chairman of the dinner, has reported. The event will be held at Augustine's restaurant.

Heading the list of visiting senators is Gordon Allott, senior U.S. senator from Colorado. Others who will attend are Sen. Howard H. Baker Jr. of Tennessee, Sen. Henry Bellmon of Oklahoma, Sen. Markey W. Cook of Kentucky, Sen. Charles H. Percy of Illinois and Sen. Strom Thurmond of South Carolina.

Cong. Robert H. Michel of Peoria, Smith's downstate campaign chairman, and Cong. Edward J. Royce of South Holland, Smith's Cook county campaign chairman, will head the Illinois Congressional delegation, Olin said.

Other Illinois Congressmen expected to attend are Rep. John B. Anderson of Rockford, Rep. Leslie C. Arends of Mel-

vin, Rep. Harold R. Collier of Western Springs, Rep. Philip M. Crane of Chicago, Rep. John N. Erlenborn of Elmhurst, Rep. Paul Findley of Pittsfield, Rep. Tom Rainsback of Moline and Rep. William L. Springer of Champaign.

34 County Chairmen Active

Prior to the dinner, Republican county chairmen from every part of downstate Illinois gathered today for an all-day meeting sponsored by the Smith Campaign Committee.

Cong. Michel said that 94 of the 101 downstate chairmen have announced their support for Sen. Smith and most are expected to attend the dinner. Smith will fly to Belleville from Chicago, where he is

scheduled to participate in a civic reception for President Nixon this afternoon.

Gov. Richard B. Ogilvie and Cook County Treasurer Edmund J. Kucharski will fly to Belleville for the Smith dinner at the conclusion of the reception for the President.

Washington Impact Cited

"We are most encouraged by the downstate response to this testimonial for Ralph Smith," said Cong. Michel. "Downstate Illinois is proud of the tradition which for more than 100 years has guaranteed us one of the two seats in the Senate. We intend to see that Ralph Smith is retained."

"Those of us working on the Smith campaign, are most heartened by the support from the Republican members of Congress who will take time to fly out from Washington to attend the dinner," said Michel.

"This is strong testimony to the impact Sen. Smith has made during his brief service in Washington."

Granite City PRESS-RECORD
Thurs., Feb. 5, 1970 Page 33

MFT Improvement Requested for 3 Streets in GC

Requests to plan motor fuel tax improvement for sections of streets in Granite City.

The requests were presented by Alderman Doves for Spring avenue from Washburn to Frisco, a distance of one block; Bremen avenue from Washburn to the city limits, a distance of 1 1/2 blocks; and Ferguson avenue from Washburn to the city limits, a distance of about a half-block.

With the planned improvement of Benton street from 27th street to Felling road, the park district commissioners requested a meeting with the city to discuss an outline of the plans. Park Board President Henry Gabriel said the park district wants to preserve all the parking spaces it can along Benton street at Wilson Park.

When Mayor Partney criticized the posting of a five-ton load limit on West 20th street with signs that were found to be in error, Alderman Partney commented that the limit was not enforced. "I'll put a stop sign on every corner, and you know it costs money to stop and start those big trucks."

He added that the people along the street need relief from the rumbling and vibrations. "You don't get those calls at 1 and 2 a.m., but I do," he added.

The ordinance calls for the five-ton load limit on West 20th street from 7 a.m. to 9 a.m., but the signs were in error, reading from 7 a.m. to 7 p.m. They were taken down by the city.

Mayor Partney said he recalled the ordinance had been termed illegal. Nann replied that the ordinance had been that it probably could not be enforced.

This street is not one of our motor fuel tax fund streets and we can regulate it any way we please," Nann remarked.

Approval was given by William Anderson to install a driveway for real estate offices at 2814 Nameeki road.

Council members voted to waive a \$25 city distributor fee for two local youths who plan to go door-to-door selling Bible study guides. The youths, Daniel J. Beard and Wayne Dawson, have headquarters at 2313 West 24th street and represent the National Colporteur Association.

Caseyville Man Wins Elks Mardi Gras Trip

James Caffrey of Caseyville is the winner of the annual Mardi Gras contest conducted by Granite City Elks Lodge 1063, it was announced this week.

The prize is a five-day, all-expenses paid trip for two to New Orleans from Saturday through Wednesday. An alternate prize is \$500 cash.

Medical Ins. Premiums Partially Deductible

Taxpayers who plan to deduct medical expenses in computing their 1969 income tax should be certain to read the instructions for handling medical insurance premiums, Jay G. Philpott, district director of Internal Revenue for central and southern Illinois said today.

Philpott pointed out that one-half the premium paid for medical insurance, up to a maximum of \$150, may be deducted in full as medical expense without regard to the 3% limitation providing that deductions are itemized on Schedule A of the return.

The remainder of the premium cost for medical insurance should be added to other medical costs and that total reduced by 3% of income, the director explained. Life insurance and accident and health insurance covering the loss of earnings are not medical expenses and the premiums paid are not deductible, he added.

Many taxpayers overlook the special provision for deducting medical insurance premiums and, as a result, overpay their income taxes, Philpott.

January Mishaps Cause 109 Injuries, 1 Death

A total of 262 traffic accidents was reported in or near the Quad-City area during January, resulting in one fatality and 109 personal injuries, according to reports filed with area authorities.

The number of accidents was a decrease of 20 below the 282 mishaps reported in December, but an increase of 47 over the total of 215 occurring in the area in January 1969, statistics show.

Injury cases resulting from January accidents increased by 22 over the 87 occurring in December, but were six less than the total of 115 occurring in January a year ago.

The single fatality last month was a decrease of one below December's two traffic deaths and a decline of three below the four that occurred in January 1969.

Sobol Attends Seminar On 'Venture Capital'

John Sobol of the Sobol Realty, 2124 Pontoon road, has returned from a four-day seminar on "Venture Capital and Private Equity Financing Placement" held at the Biltmore Hotel in New York.

He left Wednesday for Pittsburgh, Pa., for the continuance on the course which will end Friday. General theme for the conference is "Acquisition of Capital from Private and Interested Sources for Real Estate and Other Ventures."

EXECUTIVE HOME: Large living room with stone fireplace, wall to wall carpeted, dining room carpeted, both bedrooms carpeted, bath and hall both completely tiled, complete built-in kitchen with range, oven, refrigerator, disposal unit, dishwasher, plus, large eat-in kitchen, family room located off of kitchen, attached double car garage, central air conditioning, full basement, corner lot, loads of extras too numerous to mention. Inspection by appointment only.

A REAL PONDEROSA: Two story newly remodeled home, completely carpeted with full basement, nice fireplace, built-in range and oven, new forced air heating system, good 40'x40' barn w/hayloft, pony pasture with white fence, surrounded by 1800 acres, about 125 open land, balance in timber and pasture, 5 good ponds, 2 acre lake, 2 wells, acreage fenced and cross-fenced. Located on outskirts of Camdenton, Missouri.

OUTSKIRTS OF CITY: Situated directly on lake, two or three bedroom frame with attached breezeway and garage, newly installed furnace with central air conditioning, spacious living room and dining area completely carpeted, full basement, situated on large lot, ideal for the family that likes outdoor living, financing can be arranged. Call now.

FOR THE LARGE FAMILY: Four bedrooms, two baths, full basement with gas heat, has living and dining room, new kitchen cabinets installed, two story frame, will trade, could be easily converted to a two family residence.

RESIDENTIAL BUILDING LOT: 22XX black Pontoon Road. Owner will sell to grade.

IN NEED OF LISTINGS: If interested in selling — give us a call.

Card of Thanks

We wish to thank our friends, neighbors and relatives for their kindness, sympathy, flowers and memorial contributions during our loss of husband, father and brother. Special thanks to Rev. and Mrs. Brand, organist, pallbearers, Bethel Chapel and Mercer's Funeral Home.

MRS. PEARLY MEFFORD AND FAMILY 31-235

We wish to extend our heartfelt thanks to all who so kindly assisted and for the words of sympathy and beautiful floral offerings extended at the death of our beloved husband, father and brother, WILLIAM COY WILSON.

THE WILSON FAMILY 31-235

We wish to thank our kind friends and neighbors for their acts of love and sympathy during our recent loss of our loved one, CAMERON VAN BUSKIRK. We also extend grateful thanks for the beautiful floral tributes to our loved one. Special thanks to Rev. David Maxson and Davis Funeral Home.

THE VAN BUSKIRK FAMILY 31-235

We wish to express our sincere thanks to our friends and neighbors and all who extended their sympathy for the death of our mother, MARY GONZE. Special thanks to Fathers Maxson and Bertalio, Rev. Showers, Dr. Otto Baur, the pallbearers, Local 397 and the Granite City Street Dept. emeralds.

THE GONZE FAMILY 31-235

Thanks to the nicest people in the world, BOB FOSTER the Butcher Man, Going home Friday. Hope to see you soon.

31-235

In Memoriam

In loving memory of ROBERT F. GIBBONS, who passed away February 3, 1968. We do not lose the one we love; They only go before. Where there is everlasting life, Where sorrow is no more, And where the Soul will always live, And peace is everywhere. We do not lose the ones we love, God takes them in His care.

Sadly missed by — PEGGY AND FAMILY 31-235

In loving memory of GEORGE FLEET, who passed away Feb. 7, 1966. Gone are the days we all spent together, but never forgotten. Sadly missed by — HIS WIFE AND FAMILY 31-235

In Memoriam

In loving memory of JOHN NICOL, Feb. 8, 1968. You're not forgotten father, dear, Nor ever shall you be; As long as life and memory last.

We shall remember thee, Sadly missed by — FAMILY 31-235

In memory of CARIE PUHSE, Feb. 7, 1966. Deep in the heart lies a picture of loved one laid to rest in memory's frame we shall keep it, Because she was one of the best.

Sadly missed by — FAMILY 31-235

In loving memory of FRED CRIFIN, Feb. 8, 1968. God knows how much we miss him, Never shall his memory fade, Loving thoughts shall always wander To the place where he is laid.

Sadly missed by — WIFE AND FAMILY 31-235

Police, Fire Chief Appointment Bills On First Reading

No attempt was made Monday night to ram through ordinances that would permit the aldermen, rather than the mayor, to appoint the police and fire chiefs.

Instead, the council took the easy way of placing the ordinances on first reading—a method that will take two weeks to accomplish, but avoided a two-thirds vote requirement for suspension of rules and final adoption.

The vote was 11-to-4 favoring the change, and since the ordinances did not come up until late in the meeting, discussion was brief.

Further debate is anticipated at the Feb. 16 council meeting.

Alderman Schuler was first to comment. He remarked that the departments should be free of politics and in the best interest of the citizens, the departments "should be divorced from politics."

He added that even with the council appointing the chiefs, "The mayor still will be the boss, but he won't have the right to hire or fire."

Rutledge noted the two ordinances had not been prepared by the city attorney, and that in his opinion, the change would "definitely put the departments in politics and would speed the downward trend of the city."

Joining the discussion, Mayor Partney said the "so-called 'Big Eleven' of the city council will be killing one of the finest police departments and one of the finest fire departments in the state."

Poulos answered, "How about the little three?"

"They're a minority," Partney replied.

Also answering the mayor, Neen remarked that he would rather take a chance with two-thirds of the council rather than having just one man as boss of the chiefs. "It would take a two-thirds vote of the council to make any changes, and the council would interfere with the operation of the departments."

Before the votes were taken, Moerlein commented that he wanted to think more about the change, but would vote in favor of first readings.

The voting was identical on both ordinances. Voting "aye" were Neen, Basrich, Dallas, Moerlein, Partney, Robertson, Poulos, Green, Dawes, Moerlein and Schuler. Voting no were Rutledge, Whitmer, Jarrett and Boker. Alderman Boyd was absent.

State License Plate Deadline is Feb. 15

The deadline for displaying 1970 motor vehicle license plates is midnight Sunday, Feb. 15, less than two weeks away, Secretary of State Paul Powell today reminded Illinois motorists.

Plates may be purchased over the counter at the First Granite City National Bank and Granite City Trust and Savings Bank in Granite City.

To give motorists every opportunity to get their plates before the deadline, the secretary of state's office over the counter sales outlets in both Springfield and Chicago will remain open all day the remaining two Saturdays, Feb. 7 and 14 as well as on Lincoln's birthday, Thursday, Feb. 12.

The deadline is for having the plates mounted on the vehicle, not merely applied for or being carried in the car.

Jim Henderson

ABOUT THIS QUESTION:

"A Milwaukee banker and political leader was sued for \$200,000 in a libel action. The jury awarded \$25,000. Does this point up the need for excess or umbrella liability insurance for business and professional people?"

20th Annual Dinner Honoring Scouters, Wives Saturday

Adult scouters whose day-to-day volunteer services enable the Boy Scout program to function will be honored by the Granite City Mound Council at its 20th annual appreciation dinner at 6:30 p.m. Saturday at Meridian Hall in the SIU-SW University Center.

Guest speakers will be William H. Robinson, current director of the Department of Regis-

tration and Education of the Illinois state government and a member of the General Assembly from 1955 to 1965. His topic will be "The Challenge to Volunteers in the Decade of the '70s."

Scouters and their wives will attend the dinner. The program will include presentation of three Silver Beaver awards and 19 Oscar awards, Dr. Stanley F.

Maer, meeting chairman, has announced.

Groups to be introduced include: cubmasters, scoutmasters, explorer advisors, den mothers, assistant leaders and members of the unit committee of packs, troops and posts in Bond county and southern Madison county.

A talk will be given by G. Rollin Heim, council president.

Gene H. Sternberg sr., a past council president, will present the Silver Beavers and Council Commissioner William Shindler will award the Oscars.

Prayers will be offered by Rev. Stanley Howlett, pastor of the Tru Light Baptist Church, and there will be vocal selections by Mrs. June Branding.

GO TO CHURCH ON SUNDAY

Last Rites Yesterday For John Papes, 89

Funeral services were conducted at 10 a.m. Wednesday at the Mother of Dolores Catholic Church in Vandalia for John Papes, 89, of Vandalia, father of John Papes of Granite City. The elder Mr. Papes died Saturday morning at the Fayette County Nursing Home.

His wife, Veronica, died Aug. 8, 1968. He was a retired farmer.

Bids Called for Lease Of Land Along Canal

Sealed bids for the lease of 11 tracts of land along the Chain of Rocks canal for agricultural purposes will be received by the district engineer, U. S. Army Engineer District, until 10 a.m. Feb. 24 when they will be opened.

The leases, for 9½-month periods beginning March 15, in-

volve tracts ranging from six to 81 acres.

Terms prohibit production of price-supported crops in surplus supply, including barley, corn, cotton, dry edible beans, soybeans, grain sorghums, flaxseed, peanuts, rice, tobacco and wheat.

Full information on specific items offered may be obtained by phoning the Corps of Engineers at 314-268-2848 or 314-268-2847.
